### Reminders

Please make sure to check your child's **RED FOLDER**. Let your classroom teacher know about any **dismissal changes**.
Please make sure to send in any **money** in an **envelope** labeled with your child's name and the reason for the money.
Envelopes should be left in your child's **RED FOLDER**.
Remember to send snacks in a separate bag that is labeled **SNACK** with their **NAME**.

### OUR LEARNING focus...

**Reading:** Students are continuing to read books and learn about different schools around the world. We are working on identifying and responding to the different story elements, such as character, setting, and plot.
**Phonics:** We are continuing to introduce the different letters of the alphabet. Students are learning to identify the letter and its sound. Students will also begin to blend/tap sounds together to begin making CVC words.
**Writing**: Students will be working on an opinion piece. They will utilize their drawings to help state their favorite fall activity. Students will work on drawing a picture, and labeling it.
**Math:** We are continuing our work with Module 1 this month. Students will progressively learn about numbers 1-10. We will do this by utilizing visual aides such as arrays, pictures, the number path, and 10-frames. Students will learn how to separate objects and amounts based off of 5-groups. They will be introduced to number models. We will also explore the concepts of ***one more*** and ***one less*** with numbers 1-10.
