11/16-11/20: **Parent Teacher Conference Week**
11/20: **½ Day of School**
11/26-11/27: **Thanksgiving Break**

Reminders

Please make sure you are studying all of the sight words with your child each night. Many friends are having trouble recognizing the sight words from previous weeks.

OUR LEARNING focus...

Reading: Students are reading books and identifying the different story elements. Such as character, topic/theme, setting, and plot. We are also continuing to work on reviewing different concepts of print.
Phonics: We are continuing to introduce the remaining letters of the alphabet. Students have begun to blend/tap sounds together to begin making CVC words with the letters we have already learned. Students are also working on recognizing the sight words in context. Students are practicing reading and writing these sight words.
Writing: Students will be working on a narrative piece. They will utilize their drawings to help recall a small moment in their lives. Students will work on developing their picture with characters and settings. Pictures will be labeled , and sentences will be included to explain their drawings.
Math: We will be wrapping up our work with Module 1. Students are going to be assessed on their ability to correspond a number with a picture, identify the amount of a given set, and record numbers in sequence, Students will also be assessed on their ability to form/write the numbers (0-10)
