OUR LEARNING focus...

Reading: Students will be introduced to our HMH curriculum. Our first module focuses on self, and recognizing our role in the school and community.
Phonics: We will be introducing the different letters of the alphabet. We will also introduce the students to our FUNDATION routines. Students begin learning to identify the letter and its sound.
Writing: Students will begin to utilize shapes to help bring their drawings to life. Students will be working on an opinion piece. They will utilize their drawings to help state their favorite fall activity. Students will work on drawing a picture, and labeling it.
Math: We will be working on identifying, writing, and representing numbers 1-10. Students will practice working with manipulatives and counting on.
