THE FOUNDATION FOR DANSVILLE EDUCATION

PRESS RELEASE

Nominations Now Being Accepted for 2027*

DANSVILLE, NY — Every community has its share of remarkable people—individuals who inspire others, make a difference, and leave a lasting mark. Some are familiar names, while others have quietly dedicated their lives to helping others. The Foundation for Dansville Education wants to make sure their stories are recognized and celebrated.

Nominations are now being accepted for the 2027 Wall of Pride, an honor recognizing outstanding Dansville High School graduates, educators, and members of the greater Dansville school community whose achievements and contributions have made a meaningful difference.

The Foundation for Dansville Education, in collaboration with Dansville Central Schools, will host the **ninth Wall of Pride Induction Ceremony on October 16, 2027**, continuing a tradition of celebrating individuals whose accomplishments reflect the very best of the Dansville community.

The Wall of Pride recognizes excellence in education and academics, leadership, community service, philanthropy, and contributions that improve the quality of life for others. Nominees may be Dansville Central School graduates, current or former educators, school-community members, or benefactors who have demonstrated significant achievement or service.

Nominees are not limited to those currently living in Dansville. Individuals with connections to Dansville, Sparta, West Sparta, South Dansville, Ossian, and other communities within the Dansville Central School District are eligible for consideration.

Think about the people who have made a difference. Perhaps it's a former teacher who inspired generations of students, a graduate who went on to accomplish extraordinary things, a community volunteer who has devoted countless hours to helping others, or someone whose generosity and leadership have strengthened the community.

As Dansville Central Schools celebrates its 100th anniversary during the 2026–2027 school year, the opportunity to recognize those who have helped shape the district's history and community is especially meaningful. The Wall of Pride serves as a reminder that Dansville's greatest legacy is found not only in its schools and traditions, but also in the people who have passed through its doors and made a difference.

The Foundation encourages community members, alumni, families, and friends to take a few moments to nominate someone deserving of this special recognition. Nominations remain active for three years, allowing deserving candidates to be considered beyond a single induction year.

How to Submit a Nomination

Nomination forms and instructions are available on the Dansville Central School District website at **www.dansvillecsd.org**.

Select **Menu** → **Community** → **Foundation for Dansville Education**.
