Bylaw #0167 reads . . . "Any individual deciding to speak shall state their name and address. All comments will be directed to the Chair. Speakers shall be limited to one (1) turn of five (5) minutes with a total public participation not exceeding 60 minutes."

9. STATEMENT TO THE PUBLIC

Oftentimes it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases a unanimous vote. Almost without exception, before a matter is placed on the agenda at a public meeting, the matter is thoroughly reviewed by the Superintendent of Schools and, when necessary, other school district administrators. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, and if the circumstances permit, it is then referred to the appropriate committee of the Board of Education. The members of the Board committee work with the Administration and the

Superintendent to assure its understanding of the matter. When the Board committee and the Superintendent are satisfied that it may be presented to the Board of Education, the matter is placed on the agenda at a public meeting.
