A Note From Your Principal:

Hello Roadrunner Families,

If you haven't already heard the good news, our school leveled up to two stars according to the Nevada School Performance Framework (NSPF)! We've actually been gaining points for four years in a row, but it's been a long climb out of the bottom of the one-star range. Now that we've been fully staffed and working together to uphold strong systems to educate the whole child, we're ready to keep leveling up! Thank you for being a part of our journey!

Check out our "**Two** Legit" Photo Booth at the Fall Festival. You can take photos with our MC Hammer '90s props and grab some helpful resources to help you partner with us to keep your child(ren) on the path to success!

September was a busy month! We cast our musical and conducted our Student Council Elections! We know there were some big feelings over parts in the play or Student Council roles, but we are so proud of our students for going after their goals! The perseverance of our students through their big feelings has been so impressive! We've heard students saying, "I was disappointed, but I'm going to make it my own!" and another student said, "I really wanted to be... (a certain character), but I'm just glad to be a part of the play." Our Roadrunners are learning tough lessons, but experiencing these difficult and challenging situations now, in elementary, surrounded by loving and supportive friends and adults, is a great time to learn how tough they are and what they can overcome!

We also kicked off October with the Week of Respect. The Dress Up Days have been so fun! Our counselor and teachers have also been providing lessons and activities to help our students learn what it means to be respectful, such as listening when someone is speaking, following directions when an adult asks the first time, and solving problems respectfully and responsibly as opposed to letting their emotions get in the way of a quick solution! If you haven't already, check out our Instagram: @aggieroberts_ccsd for more photos and videos about our Week of Respect!

Staff Spotlight

Name: Kelly Rickards
Position at Roberts: Primary Autism Teacher
Hometown: Tucson, Arizona
Favorite Food: Sushi
What's the best part about being a Roadrunner? Working with Ms. Madissen
Fun Fact: I have twins who are 25 years old. One is a physical therapist, and the other is working toward her master's in school counseling.

Our Boys Town skill of the month is Listening. We do this by teaching these steps:

1. Look at the person who is talking and remain quiet.
2. Wait until the person is through talking before you speak.
3. Show that you heard the person by nodding your head, saying 'okay', 'that's interesting', etc.

Very Important Parent Partner

The V.I.P.P. for September were Ms. Zaina and Mr. Samuel Shetayh, and they were nominated by Ms. Sandifer. They have two children at Aggie Roberts who are very RRS! In her nomination, Ms. Sandifer expressed gratitude for their constant support for her and the class. Over the last few years, Ms. Zaina and Mr. Samuel have always been encouraging of our school and our staff, even treating them to Starbucks once in a while! We're so grateful to have such supportive and encouraging parent partners!
