A Note From Your StuCo President:

Thank you to all of the families who supported our Fall Festival. During the Fall Festival, StuCo handed out thank-you notes and Pop Rocks to our high school helpers. Pumpkin Grams sold for $1.00, and we delivered them on October 29th.

Your 5th-Grade StuCo President,
Quinn

A Note From Your Principal:

Welcome to November and the 2nd quarter of the year! I hope your October parent conferences went well. Our goal was to ensure you understand how your child(ren) is/are progressing toward their goals and at least one thing you can do to help them reach them. Thank you to everyone who completed our brief conference survey so we can be the best partner in your child(ren)'s education.

Your support made our Fall Festival a success! Whether you donated, decorated your vehicle for Trunk or Treat, brought your family for fun, or did all of the above, you helped make that night so much fun! We love spending time with our families during the Fall Festival! Thanks to your support, we raised almost $5,000 to fund student, staff, and family engagement, including Dojo Store incentives, Staff incentives, class supplies, and family incentives like ice cream (if your family earns the attendance award)! Thank you for all you do to encourage our students and staff to keep working hard!

As many of you know, we benefited from emergency funds from the State. We discussed and approved how we will spend these funds with our SOT (you can view additional details on our website). In addition to much-needed funds for general supplies, our school is receiving a new 1st- and 5th-grade teacher to help with our larger class sizes. Unfortunately, we were not approved to keep our second assistant principal position. As we mentioned in the letter sent home on Monday, Ms. Chase will be moving to work at the District level. We are so very sad to see her go and so grateful for her dedication to our school over the past 6 years! Ask your child(ren) about Ms. Chase Day (11/2)!

Your partner in education, Ms. Rasavong

Family Engagement

Thank you to everyone who attended our Fall Festival and Parent-Student-Teacher Conferences—it was wonderful to see our school community come together to celebrate and connect!

Looking ahead, our **winter i-Ready** Diagnostic assessment window opens on **Monday, November 16th.** You can help your child do their best by ensuring they get plenty of rest, eat a healthy breakfast, and feel encouraged to meet their personal goals.

We also want to let you know that our **Penguin Patch Fundraiser** is coming up: December 7th-11th. This event gives our students the chance to experience the gift of giving as they shop for loved ones while raising money for our school! More information to come!

Counselor's Corner

November is a great time to focus on empathy and gratitude! Encourage your child to share one thing they are thankful for at dinner each day. Discuss how focusing on the good things helps us feel happier and more positive. Being grateful is a simple but powerful way to boost mental well-being and see the world differently! We practice viewing our day through a lens of gratitude by prompting students to end the day by thinking/talking/writing about their "glimmer" (something positive) of the day! We can also look for small ways to show kindness and give back to our community. These actions build connection and teach students the joy of helping others!

What's the best part about being a Roadrunner?: Working with students and being a part of this community.
Fun Fact: I love watching movies. One of my favorite movies is Tangled.

Our Boys Town skill of the month is Accepting No. We do this by teaching these steps:

1. Look at the person.
2. Say, "Okay."
3. Stay calm.
4. If you disagree, check back later.

Very Important Parent Partner

The V.I.P.P. for October were Ms. Caitlin and Mr. Jose Barbas-Cuevas, nominated by our Principals. They have two current Roadrunners and one former Roadrunner, all of whom model RRS for other Roadrunners! In their nomination, our principals expressed gratitude for their constant and ongoing support and encouragement of our school since 2019! They even donated, set up, and took down lighting for our Fall Festival! We love partnering with Ms. Caitlin and Mr. Jose to support their Roadrunners!
