How to Sign Up for Medi-Cal

There are four ways to apply for Medi-Cal—online, in person, by mail or on the phone. Here's how to apply for Medi-Cal:

1. Online - https://www.healthforcalifornia.com/individual-and-family-quote

The easiest, most convenient option is to request a quote for Medi-Cal through Health for California. Our service is free to use. Simply submit your information, and we'll get back to you about if you qualify for Medi-Cal through Covered California. This is your fastest option if you're interested in signing up for Medi-Cal.

2. By Phone - (866) 262-9881

When you apply via phone, an operator will guide you through the steps. Contact your county social services office and follow the prompts. Keep in mind that call volume may be high, so the process could take time. For faster service, contact Health for California to get free access to knowledgeable agents who are available to talk you through your options, answer questions and guide you through the steps.

3. In Person

You can visit one of the county offices where staff members are available to help you with Medi-Cal applications. Make sure to bring all necessary documentation and paperwork. California has hundreds of Medi-Cal enrollment centers and thousands of certified enrollers ready to help you apply.

4. Adding your child to your MediCal coverage

To add your child to Medi-Cal in California, submit an application online via BenefitsCal or Covered California, call 1-800-300-1506, or contact your local county social services office.
