# 4 YEAR COURSE MAP

**BISHOP KENNY FOSTERS THE SOCIAL, EMOTIONAL, AND ACADEMIC SKILLS NECESSARY TO MEET THE DEMANDS OF COLLEGE STUDY AND ULTIMATELY THRIVE IN STUDENTS' CHOSEN CAREERS OR VOCATIONS.**

We are dedicated to customizing a unique four-year academic plan for each student. Our six counselors in the Office of School Counseling focus on all Crusaders as individuals, guiding them as they move through high school and, ultimately, as they prepare college applications that represent their values and talents. Planning for what comes after graduation is an integral part of a BK education - we want to support our students in their college selection process and help them follow the path that suits them best.

*This is a sample course map and adjustments to course offerings occur from year to year. Courses marked with (H) are offered at the college-prep and honors levels.*

*Refer to course catalog for course requirements and prerequisites, as well as additional descriptions for each course offered.*
