Long Term Request for Administration of Prescribed Medication

School personnel will assist parents by administering prescribed medication to students. Any medication sent to school without a pharmacy or manufacturer's label will not be accepted. Medication must be in the original container indicating the following information: Student name, dosage, date issued, prescribing physician, pharmacy and prescription number. This form is required for medication to be dispensed by office staff for seven (7) or more days.

Parent Statement

I request that the prescribed medication _____ will be given to my child _____. I understand that the school is not legally obligated to administer medication to my child, and in the absence of the school nurse, other school personnel may administer the medication. I agree to defend and hold the school district employees harmless from any liability for the results of the medication or the manner in which it is administered, and to defend and indemnify the school district and its employees for any liability arising out of these arrangements. **I will notify the school immediately of any changes with this medication.**
