Lauren's Law Request Form

The Texas Education Code permits parents/guardians, or grandparents, to provide a treat of their choice for their child's birthday or a school-designated event. As always, Aledo ISD strives to keep students healthy and safe, and while non-food treats are always encouraged, we understand that sometimes food is a part of the celebration. Here's what you need to know if you'd like to send a treat for celebration:

- Please complete this form and email or return to the school nurse for approval at least **TEN SCHOOL DAYS** prior to the day you would like to bring the treat to share.
- The treat will be served during the last 5-10 minutes of the child's lunch time.
- **ALL FOOD ITEMS MUST BE PREPACKAGED** and a product label MUST be included with allergen information.
- The treat must be dropped off at the front office on the day of the celebration.
- You may only bring the treat on the date that you have been approved to share. If you need to change the date, you will need to complete and resubmit a new Lauren's Law Request Form.
