ROSARY ACADEMY

October 20, 2026

Dear Friend,

We are excited about Rosary's 24th annual **Red Wine & Gold** happening on **Saturday, January 16, 2027**. This event features amazing wines, craft beer, and delicious bites from Orange County's finest restaurants enjoyed by 500 guests. Proceeds from this night benefit current and prospective families in need of tuition assistance.

Each year we offer live and silent auction prizes to raise these much-needed funds and we would love your help! Would you be willing to donate a prize for our auction? Our mobile bidding format offers great exposure to a grateful audience!

Red *Wine* & Gold has raised over $3,900,000 since its inception. Hundreds of Royals have walked the halls of Rosary because of the generosity of businesses and people like you! Rosary is committed to empowering the next generation of women leaders.

Please consider supporting the young women we serve. If you have any questions, or if you want more information about the event, please visit www.rosaryacademy.org/redwinegold. We sincerely appreciate your consideration to make a difference in the lives of our students.

Sincerely,

Tracey Irving
