EXPECTED BEDE'S TRUST FEES*

2027-28

Bede's Prep School is a leading, independent, co-educational Preparatory School, offering education from 3 months to 11 years located by the sea in Eastbourne, East Sussex.

From September 2027, families will have a choice as their children transition from Year 6. A genuinely good choice between two distinctive pathways:

For pupils who thrive in a smaller, more familiar environment - our Upper School, on the Prep School site. Offering high academic standards within an intimate community and a focussed curriculum. By design, our streamlined model makes an exceptional education more affordable.

For pupils ready for a larger stage - a sprawling campus in the heart of the Sussex countryside, a wide social world, professional-standard facilities, and a broad GCSE and A-Level offer. Academically rigorous, creatively rich and renowned for sporting excellence.

Neither path is the 'better' one. They're just different - as children are different. What we can promise is this: whichever direction your child goes, they remain part of the Bede's family. Known, valued, and brilliantly supported.
