Customer Satisfaction is our Top Priority

"The ESC Print Shop provides exceptional print quality and unparalleled attention to detail. At Louisville, we've used their services for a variety of different projects across our district. We can count on them to take our ideas and transform them into realities. We are grateful to have a great community print shop that can elevate the quality of our printed materials, save us time and money, and provide access to a wealth of expertise and customization options."

—Michele Shaffer, Superintendent
Louisville City Schools

"The support and expertise of the Graphic Design/Print Shop has been a great benefit to our school district. The Graphic Designer provides our community a newsletter and calendar that are both economical and professional. We are proud to use these products to represent our schools! In addition, the Print Shop provides a cost-saving service on a wide variety of printed materials."

—David Fischer, Superintendent
Sandy Valley Local Schools
