HELLO PARENTS OF 2027 SENIORS!

Now is the time to purchase a tribute for your senior who will graduate in May, 2027. Please collect all the pictures you would like to include and create a message so you can honor your senior with a special place in their 2027 *The Tiger* yearbook. The steps are easy: choose your options, choose your pictures and write a message. Please either send them all (plus payment) to the MHS Journalism Department (Room J1), mail it to the school or drop it off in the office by Friday, December 4, 2026.

It's that easy...well...easier said than done. Please choose pictures both you and your senior will be happy with. Additionally, please limit the number of photos you submit per tribute size (Full: 15; Half: 10; Quarter: 4; Eighth: 2). You do not have to turn in that many, but to ensure your senior's images are visible, we do suggest limiting yourself to these guidelines. We do ask you **identify which image you would like to be the dominant (biggest) image** on the tribute. Please send a mix of horizontal and vertical photos, if possible.

To align with our overall yearbook theme this year, the font, style and design of your senior's name will be consistent throughout the senior tribute section, although you will be able to choose the color of your senior's first name and the adjacent lines, which include pink, purple, dark blue, azul, yellow or sage. Also, you do have an opportunity to choose the font (see order form) of the message on the tribute, but all names at the top of the tribute will be presented the same way (see examples). This is to help ensure cohesive theme design in our book.

You are not limited to how long your message is, but please keep in mind that the longer the message is, the smaller we will have to make the font to accommodate your request.

Submissions:
All photos MUST be submitted as .JPG files with high-quality resolution to reproduce correctly in the yearbook. You MUST submit all images electronically (CD, flash drive or e-mail [2027mhstributes@gmail.com]) to ensure quality. Please submit the entire picture... we will crop it to fit the arrangement of the tribute. Again, please provide both horizontal and vertical photos to give some flexibility when designing your senior's tribute.

We must receive your materials (photos, message, order form, payment) by Friday, Dec. 4. Please do not send partial submissions; all pictures should be included with order information and payment OR sent via e-mail (2027mhstributes@gmail.com) by Dec. 4 so we can quickly begin working on your senior's tribute.

We prefer you send images to our e-mail address and deliver/mail payment and order form to MHS.

Regardless of how you submit photos, it is ESSENTIAL to turn in your order form and payment to the MHS Journalism Department to ensure we receive your order request. If you just send an e-mail, your order is incomplete and will not be processed, nor included in the yearbook

Please send info to:
MHS Journalism, Room J1
Senior Tributes
3001 E. Broad Street
Mansfield 76063
OR
E-mail submissions to:
2027mhstributes @gmail.com

Choose a font from those provided for the message you will include.

It is essential to physically turn in order forms and money to school even if you send photos electronically.

We can only accept cash or checks made out to MHS.

All our happiness began in the hospital in Ypsilanti, Michigan– the place where you were born. From the moment you entered this world, we became your parents, and our hearts overflowed with joy. The weight of responsibility pressed upon us, and we placed you in the care of the Heavenly Father. With prayers for His blessing, we gave you the name Brooke– a name that, in our language means "Bless". Each day has been filled with joy, and our heart can only lift in gratitude. Your accomplishment and the shining future were never by chance– thblessings. In a world filled with temptations and trials, you have risen to success and greatness, filling our family with pride.

We love you, our beautiful girl
Mom and Dad.

Son, watching your story unfold has been one of the greatest privileges of our lives. Every step you've taken — every challenge you faced, every victory you achieved, and every quiet moment of growth — has revealed the beauty of the person you are becoming.We've seen courage in your hardest days. We've seen kindness in the choices you make. We've seen maturity taking shape where once there was only a little boy.And through it all, we have seen God — guiding your path, strengthening you when you felt weak, and opening doors only He could open.May this graduation mark not the end of a chapter, but the beginning of an extraordinary new one in your life. May God continue to shine His light on your path, guide your dreams, and lead you into the purpose for which you were created. May His goodness follow you in every step ahead.Davi, you are our pride, our joy and a gift we thank God for every day.

With all our love,
Your parents, Otavio and Jeanine
