Need help translating our website?

You can use Google Translate in your web browser to read Smyrna School District information in the language you prefer.

ON A COMPUTER

Using Google Chrome

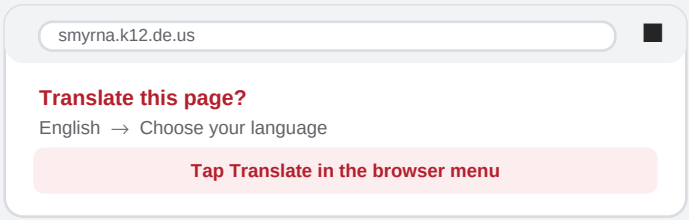

1. Open Chrome and go to **www.smyrna.k12.de.us**.

2. Select the Translate icon near the right side of the address bar. If you do not see it, right-click anywhere on the page and choose **Translate to [your language]**.

3. Choose your preferred language. Chrome will translate the page.

Tip: If translation does not start, refresh the page or open Chrome's three-dot menu and look for **Translate**.

ON A SMARTPHONE OR TABLET

Using Google Chrome

1. Open Chrome and visit **www.smyrna.k12.de.us**.

2. If a translation prompt appears, tap the language you want. If it does not appear, tap the three-dot menu (■) and choose **Translate**.

3. Select your preferred language. On iPhone or iPad, the language option may appear at the top of the page.

Tip: Menu labels can look a little different depending on your device and Chrome version.

ANOTHER OPTION: GOOGLE TRANSLATE WEBSITE

1. Visit **translate.google.com** 2. Choose **Websites** 3. Enter **www.smyrna.k12.de.us** 4. Choose a language and select the arrow/Translate.

Please note: Google Translate is an automated tool. Some words, documents, or information may not translate perfectly. For clarification about important school information, contact your child's school or the Smyrna School District.
