Little Sprouts → BIG GROWTH!

At D70 Little Sprouts, our youngest D70 students develop their knowledge of early learning skills such as letters and numbers.

Through a play-based curriculum, they also learn important age-appropriate skills like taking turns and making new friends. Attending a high-quality preschool prepares children to succeed in kindergarten, helps shape their self-confidence, and fosters a love of learning.

HEAR IT FROM OUR PARENTS

- **We only wish this program had been around when my older son was in preschool**, as we would definitely have sent him there.
- **We love that families are invited into the classroom for different activities**. We are extremely happy with our experience with the Little Sprouts preschool program and highly recommend it!
- My son is happy to go to Little Sprouts preschool every day and talks about his teachers and friends. **The amount of growth we have seen from him is striking**, especially his confidence and independence.
- The blended preschool program, powered by its wonderful staff, has provided a **safe and warm environment for my son to learn, grow, and develop**.
- My daughter is so enthusiastic about learning and is excited to go. This program changed my child's life for the better. **100% a success story**.
- The teachers and staff excel at providing a **welcoming, nurturing environment for all children and their families**. The Little Sprouts preschool program has been a wonderful experience for our family.
