Homecoming A Weekend of Knight Pride

The Glen Cove School District celebrated Homecoming 2026 bringing together students, staff, alumni, and community members. The festivities opened on Friday, September 25, as high school football players and cheerleaders visited the district's elementary schools. Younger students welcomed the athletes with handmade signs and pom-poms. Later that afternoon, Glen Cove High School held its annual Pep Rally, recognizing fall athletic teams and introducing the Homecoming Court. The afternoon featured performances by the cheer squad, kickline, and drumline, with GCTV live-streaming the event for community members watching from home.

After weather from a passing Nor'easter delayed the outdoor athletics over the weekend, rescheduled Homecoming games took place on Monday, September 28. The Girls Varsity Soccer team secured a victory against Elmont, while the Varsity Football team faced North Shore in a 23–7 loss.

The Glen Cove High School Band, directed by Brittney Frank Rifkind, performed throughout Monday's football game. Halftime included showcase routines by the band, kickline, and cheer team, as well as the crowning of the Homecoming Queen, Gianna DiMaggio, and King, Ryan Lebowitz.

The district thanks the Board of Education, administration, alumni, and community members for their continued support.

El Distrito Escolar de Glen Cove celebró Homecoming 2026 junto a estudiantes, personal, exalumnos y la comunidad. El viernes 25 de septiembre, atletas y animadoras de la secundaria visitaron las escuelas primarias, donde los más pequeños los recibieron con pancartas y pompones. Por la tarde, Glen Cove High School celebró su Pep Rally anual, presentando a los equipos de otoño y a la Corte de Homecoming, con actuaciones de animadoras, kickline y la banda de percusión, transmitido en vivo por GCTV.

Debido al mal tiempo por un Nor'easter, los partidos se reprogramaron para el lunes 28 de septiembre. El equipo femenino de fútbol varsity venció a Elmont, mientras que el de fútbol americano cayó 23–7 ante North Shore.

La banda escolar, dirigida por Brittney Frank Rifkind, animó el partido del lunes. El medio tiempo incluyó presentaciones de la banda, kickline y animadoras, además de la coronación de la Reina de Homecoming, Gianna DiMaggio, y el Rey, Ryan Lebowitz.

El distrito agradece a la Junta de Educación, la administración, exalumnos y la comunidad por su continuo apoyo.

Glen Cove on the State and National Stage

Glen Cove City School District has been selected to join Digital Promise's League of Innovative Schools, a national network of forward-thinking districts. Our acceptance followed a rigorous application and panel interview, and it connects our teachers and students with innovators across the country. At the State level, Mr. Klatsky and I presented at the New York State School Boards Association Annual Convention alongside Trustee Maria Venuto. Our session, "When a Bond Fails, Turning Setback Into Lasting Community Strength," shared how Glen Cove moved from the bond defeats of 2019 to a successful community vote in December 2022 by listening to families and keeping student learning at the center of every conversation.

A nivel estatal y nacional

Nuestro distrito fue seleccionado para integrarse a la League of Innovative Schools de Digital Promise, conectando a nuestros educadores con innovadores del país. A nivel estatal, el Sr. Klatsky, la vocal Maria Venuto y yo presentamos en la convención de la NYSSBA la conferencia "Cuando un bono fracasa: transformar un contratiempo en fortaleza comunitaria", compartiendo cómo pasamos del rechazo de los bonos en 2019 al éxito del voto en 2022 escuchando a las familias.

Educators Inspire

This fall Mr. Barry was honored with the FAME GC Tree of Inspiration award. Over more than three decades teaching media and broadcasting, his mentorship has inspired countless students to pursue their passions. Band director Pasquale Iannelli became the first Glen Cove educator featured in Newsday's Teacher Spotlight series, recognized for the humor and high expectations he brings to young musicians at Connolly and Landing. Robert M. Finley math teacher Kirsten Kenney was named one of fourteen outstanding women in the 5th Senate District at Senator Steven Rhoads' Women of Distinction Ceremony, honoring years of service that include co-founding the school food pantry that fed more than 100 families a week during the pandemic. Girls soccer coach Peter Falen was named Conference 3 Coach of the Year after leading his team through an undefeated season.

Educadores que inspiran

El Sr. Barry recibió el premio FAME GC Tree of Inspiration por sus más de 30 años guiando a estudiantes en medios de comunicación. El director de banda Pasquale Iannelli fue destacado en la serie Teacher Spotlight de Newsday por su trabajo en Connolly y Landing. Kirsten Kenney, maestra de matemáticas de Finley, fue nombrada Mujer de Distinción del 5.º Distrito del Senado, reconociendo su labor en el banco de alimentos escolar. En deportes, el entrenador de fútbol femenino Peter Falen fue nombrado Entrenador del Año de la Conferencia 3 tras una temporada invicta.

Celebrating Who We Are | Celebrando nuestra identidad

Our schools honored two of the many cultures that make Glen Cove home. During Hispanic Heritage Month, we read stories in Spanish with our bilingual students at Deasy School, and the Hispanic Block Party at Connolly School brought families together in the most joyful way. For the second year in a row, we also celebrated Italian Heritage Month with student contests exploring the question "What does your Italian heritage mean to you?" in conjunction with the Sons of Italy.

Honramos nuestra diversidad cultural: en el Mes de la Herencia Hispana leímos cuentos bilingües en Deasy y disfrutamos la Fiesta de Cuadra en Connolly. Por segundo año, celebramos el Mes de la Herencia Italiana junto a los Sons of Italy con un concurso sobre el significado de sus raíces.

Community Engagement | Participación comunitaria

This year we launched community forums where families can learn about district priorities and ask questions directly, and I am hosting Pull Up a Chair with the Superintendent gatherings around our city. I hope you will join us, because the best ideas for our schools come from conversations with the people who care about them most. Looking ahead to November and the winter months, we remain dedicated to creating supportive environments where every student can thrive, whether they are preparing for college and careers or exploring new learning opportunities in the classroom. Thank you for your continued support of our schools and students.

Iniciamos los foros comunitarios y las charlas Pull Up a Chair with the Superintendent. Los invito a participar, pues las mejores ideas nacen del diálogo. De cara al invierno, seguimos comprometidos con crear entornos donde cada estudiante prospere. Gracias por su continuo apoyo.

Sincerely,

Dr. Alexa Doeschner

STUDENTS HONOR INTERNATIONAL "BE THE CHANGE DAY"

Sophomores at Glen Cove High School, along with second graders at Deasy and Gribbin Elementary Schools, recently took part in "Be the Change Day." Sponsored by the Nassau County Council of School Superintendents and the Shanti Fund, this annual initiative coincides with Mahatma Gandhi's birthday and the International Day of Non-Violence.

During their Social Studies instructional block, students engaged in classroom activities centered on peace, empathy, and positive action. After learning about Gandhi's principles and crafting customized "Be the Change" bookmarks, students took the floor to speak about the power of kindness and respect, demonstrating how even the smallest compassionate choices can spark lasting change.

Los alumnos de segundo año de la escuela secundaria Glen Cove, junto con los de segundo grado de las escuelas primarias Deasy y Gribbin, participaron recientemente en el "Día de Ser el Cambio". Patrocinada por el Consejo de Superintendentes Escolares del Condado de Nassau y el Fondo Shanti, esta iniciativa anual coincide con el cumpleaños de Mahatma Gandhi y el Día Internacional de la No Violencia.

Durante su bloque de Estudios Sociales, los estudiantes participaron en actividades centradas en la paz, la empatía y la acción positiva. Tras aprender sobre los principios de Gandhi y crear marcapáginas personalizados con el lema "Sé el cambio", los estudiantes hablaron sobre el poder de la bondad y el respeto, demostrando cómo incluso los gestos de compasión más pequeños pueden generar un cambio duradero.

GLEN COVE JOINS THE LEAGUE OF INNOVATIVE SCHOOLS

In September, Digital Promise announced that Glen Cove City School District has joined its League of Innovative Schools, a selective national network of public school districts committed to innovation and excellence. Glen Cove was one of only 16 districts chosen this year, joining more than 175 districts across 37 states and just ten on Long Island. Scan the QR code on this page to read the full announcement.

Our application highlighted our multi-year Science of Reading transformation, our Portrait of a Graduate, our competency-based K-5 report cards, and our longstanding partnership with FAME GC, which brings professional arts experiences to students at every level.

Membership will connect us with innovative districts nationwide and expand our access to partnerships and grant funding. It also gives us a larger stage to share our work, something our educators already do well. Since 2023, Glen Cove teachers and leaders have given 22 presentations, including three consecutive years at the National ASCD/ISTE annual conference, sessions at the National Council of Teachers of English, and at the New York State School Boards Association convention, this year alongside a Board trustee. Closer to home, we have presented at the Nassau BOCES Regional Showcase and the LITES Technology Conference.

En septiembre, Digital Promise anunció que el Distrito Escolar de la Ciudad de Glen Cove se ha unido a su «League of Innovative Schools», una red nacional selecta de distritos públicos comprometidos con la innovación y excelencia. Glen Cove fue uno de los 16 distritos elegidos este año, sumándose a más de 175 distritos en 37 estados; en Long Island, solo diez distritos forman parte de esta red. Escanee el código QR en esta página para leer el anuncio completo.

Nuestra solicitud destacó nuestra transformación basada en la «ciencia de la lectura», nuestro «Perfil del Graduado», nuestros boletines de calificaciones K-5 basados en competencias, y nuestra colaboración con FAME GC, organización que brinda experiencias artísticas profesionales a los estudiantes.

Esta membresía nos conectará con distritos innovadores del país y ampliará nuestro acceso a alianzas y subvenciones. También nos ofrece una plataforma más amplia para compartir nuestro trabajo, algo que nuestros educadores realizan con éxito. Desde 2023, docentes y líderes de Glen Cove han realizado 22 presentaciones, incluyendo participaciones durante tres años en la conferencia nacional ASCD/ISTE, sesiones en el National Council of Teachers of English y en la convención de la New York State School Boards Association —este último año, junto a un miembro de nuestra Junta de Educación—. Localmente, hemos presentado en la muestra de Nassau BOCES y en la conferencia LITES.

Este reconocimiento a nivel nacional refleja el trabajo colectivo de nuestros estudiantes, personal, familias, Junta de Educación y comunidad. ¡Tenemos mucho de qué sentirnos orgullosos y mucho más por delante!
