Coats for Kids

With the cold weather season fast approaching, get into the "giving spirit" by clearing out your closet to help others!

Colvin Cleaners will be collecting new and *gently* used children's coats, hats, gloves, and scarves at

CLARENCE HIGH SCHOOL'S INTERACT CLUB

Your gifts of outerwear will be given to children and families in need throughout our community.

Share any winter items that you and your kids have outgrown, and Colvin Cleaners will clean and provide minor repairs required.

Please place your donation in the Coats "4" Kids collection bins in the front foyer and in room 511. Colvin Cleaners will distribute these items to families in need. We're anticipating a very cold winter this year resulting in a record demand for winter wear. Your generosity is extremely appreciated! Thank you!
