Parent & Family Engagement (PFE) Program

What is it?	La Pryor Elementary School is committed to our vision: Our students **strive for excellence**, channeling their efforts toward the **greater good** of the **community** and **society** in which they live. These values are instilled and reinforced through **collaborative partnerships** between the **home, school, and community**. This environment for success is furthered by a **quality curriculum** delivered by **exceptional educators**. Our school district and the communities it serves are committed to **high expectations** and **high standards.** One way we continue to do this is by providing Title I, Part A Schoolwide programs at our campuses. This program provides funding for low socioeconomic schools. In return, we aim to meet the expectations laid out by the U.S. Department of Education and the Texas Education Agency.
Funding	Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
Review	All use of funding and activities can be reviewed by the Texas Education Agency, parents, and families upon request to ensure they meet the needs of the PFE program.
Family Meetings	Parent meetings offer a time for the school and family to communicate necessary information. These meetings occur as needed. Parent Conferences will occur once a year in early Spring.
How to Become Involved	Parents can attend school events and trainings throughout the year. The Parent Liaison will present information sessions to parents. Topics for the information nights will be planned by the Campus' Parent Advisory Committee (PAC).
Family Trainings/ Activities	Family training and events are opportunities for family members to come learn new knowledge and skills from other parents, community members, and educators.
