- *If the security kiosk at TCA Central has scanned your driver's license before, fill out this form and we will have your badge waiting for you the day of the event.
- *If we have never scanned your driver's license, you are not in our system, we'll need to scan your license the day of the event in order to print a badge. Feel free to still fill out this form with the understanding that you'll wait in line for a badge to be printed.
