FYI: Bus Route 85 is running late. Please excuse these students

TEACHERS AND STAFF: Please make sure that all students are adhering to the Jenkins Dress Code. Please send students to an administrator if they are in violation of the code.

The Jenkins Jabber of the Day Is: Email your grade level counselor before coming to see them. Do not just show up at the office unless it is an emergency that can't wait as they may be unavailable in a meeting or with another student. Also do not send them an e-pass without them knowing because it'll likely be missed if they don't know to look for it.

Have a Thoughtful Thursday, Jags!
