Public Notice of Child Find

It is the responsibility of the **Plainville Public Schools** to identify any **child aged three** to **twenty-one** who is a resident of Plainville, who may have a disability, regardless of the severity of the disability. It is also the responsibility of Plainville Public Schools to evaluate those students to determine if they are eligible for **special education** or related services under IDEA (Individuals with Disabilities Education Act) or 603 CMR 28 (Massachusetts Special Education Regulations).

The **Plainville Public Schools District** is committed to identifying children **before their third birthday** in order to provide early intervention services for three and four year olds. If you have questions or concerns regarding your child's development and would like to have him/her screened, please contact the **Plainville Team Chairperson**.

If you suspect that your child, at any age, may need an evaluation to determine eligibility for special education services, you may request an evaluation, **at no cost**, at your child's school. Please contact the **Plainville Team Chairperson** at the school for information about referring your child for an evaluation.
