FEDERATION FOR CHILDREN WITH SPECIAL NEEDS

# Social Emotional Learning

## A Free Virtual Workshop for Parents and Professionals

This presentation provides an introduction to social emotional learning – what it is, why it's important, and what it may look like at home and at school. You will learn about how to help your child develop social emotional skills. and how to include social emotional learning in the IEP.

*Workshop Topics:*

- *Describe what social emotional learning is and why it's important*
- *Identify important social emotional skills and tools for fostering these skills*
- *Understand what social emotional learning looks like in the classroom*
- *Learn how social emotional learning can be incorporated in the Individual Education Program (IEP)*

## About Your Host:
