BOARD OF EDUCATION RECOGNITION

Superintendent Dr. Adele Pecora opened by thanking and welcoming those present to the Board of Education Recognition Night. She went on to say:

Once a year we have the opportunity to pause and express our sincere gratitude to the Board of Education Trustees for their extraordinary commitment and selfless service toward the school district. While their work may not be always visible to our community its impact is felt every day in our schools and in the lives of our students. Our Trustees shoulder significant responsibilities from establishing policy and adopting the district budget to supporting our educators in delivering programs of excellence to our students. Much of this work takes place behind the scenes and requires a tremendous investment of time, thoughtful deliberation and a steadfast commitment to our community. Each Friday before Board of Education meetings our Trustees receive extensive materials to review in preparation for the important decisions before them, often hundreds of pages of information. So just to give you a visual - I didn't intend this - but it's here so I'm going to use it. This is the Board packet for this week. They fulfill these responsibilities without financial compensation, giving generously of their time, energy and expertise because they believe in the Seaford School District and in the promise of our students. Beyond their service, the Trustees exemplify many of the dispositions we strive to cultivate in every Seaford Scholar. They are principled in the decision-making, effective communicators reflected in their deliberations, flexible when circumstances call for new perspectives and mindful of the needs of our entire school community. And most importantly, it reminds us that a little humor can go a long way even when the work is serious. These qualities serve as a powerful example to our students demonstrating that leadership is grounded in not only responsibility but also in character collaboration, and genuine commitment to others.

Tonight we are pleased to present each Trustee with a small token of our appreciation. More importantly students representing each of our school buildings are here to share their gratitude in their own words and to recognize the people whose service helps them make their educational experiences possible. Ms. Herbert, Ms. Matulewicz, Ms. Umhafer, Mr. Chwe and Ms. Whidden - thank you for your dedication, your thoughtful leadership and your unwavering commitment to the Seaford School District. We are grateful for all that you do on behalf of our students, our staff and our community. And now, it is our students turn to say thank you.

BOARD OF EDUCATION RECOGNITION (cont'd)

BOARD RECOGNITION STUDENT PRESENTATIONS

Students representing all four buildings thanked the Board of Education. The students spoke about their experiences, learning and opportunities. Students from the Manor and Harbor Elementary Schools gave a musical performance. Seaford Middle School students presented each of the Board Trustees with an original work of art. Seaford High School students presented each Board Trustee with a mug commemorating the 250th Anniversary of the United States and the 25th Anniversary of 9-11. Student presentations concluded with a video representing district staff and students from all buildings.

BOARD PRESIDENT LISA HERBERT

Board President Lisa Herbert spoke:

Thank you so much. I am almost speechless. That was equal parts moving and fun and entertaining. Thank you to our amazing students who never cease to amaze – their poise, the way they present, the way they talk when they come up to the microphone and stand on the stage and sing. They are the best part of what we do, always. Not so much that binder – but the kids.
Thank you to them, thank you to our building teams, to the teachers who are teaching these kids all the traits of a Seaford Scholar which were well on display today. They are certainly the leaders of today and tomorrow. We are very appreciative of the appreciation. It is National Board Recognition Week. In many ways it is unnecessary – we all enjoy what we do. Thankful for my colleagues. Thank you so much to the community – we appreciate your support

EX-OFFICIO STUDENT BOARD MEMBER REPORT

ADMINISTRATIVE REPORT

Topics covered in Dr. Pecora's Administrative Report dated October 9, 2026 included:

I would be remiss if I didn't acknowledge the tremendous talents of our students and I agree that the ease in which they speak publicly in front of a large number of people is quite impressive
- Thank you to all the students and all the parents that came tonight to recognize the Board of Education

A shout-out for our Homecoming Parade. It is one of the events that makes Seaford so special. Walking in the parade with people supporting out athletes and the District - lining the street - It is a wonderful heartfelt event.

Dr. Pecora spoke about a wonderful donation the District is about to receive. She advised that about a month ago she received a call from a person who wanted to anonymously replace the Gazebo in front of the High School. The cost of this donation which is going to be accepted tonight by the Board of Education is $17,360. Dr. Pecora gave a brief history of the original gazebo built in 1991 in memory of a former student, Michael Gabriel. The new gazebo will have a dedication sign that will also commemorate in memorial this alumnus. In addition, there will be a second donation for the landscaping which will come at a subsequent Board of Education meeting. This will truly be a wonderful addition to the High School; it is adjacent to our 911 Memorial. It is a nice memorial for those that perished in 911 in addition to the alumni for which it was originally dedicated. We do appreciate this extremely generous donation, and it will be there for future generations to appreciate.

Board President Lisa Herbert commented that this Gazebo has been on our wish list for a length of time now and it is so very generous of this anonymous donor. We are very grateful. It is a much needed and appreciated improvement. Thank you.

EXTERNAL AUDIT REPORT YEAR ENDING JUNE 30, 2026

Assistant Superintendent for Business and Operations, Rhonda Meserole, introduced Robert Daniele, Partner from the District's external auditing firm, PKF O'Connor Davies. Mr. Daniele opened by thanking Rhonda Meserole, Steve Arnone, Treasurer, and the entire Business Office, for their assistance throughout the entire audit process.

Mr. Daniele opened by giving a summary of the District's external audit for the year ending June 30, 2026 and the reports issued:

He stated that they are ultimately charged with rendering an opinion on the financial statements taken as a whole. They issued what is termed an unmodified opinion. An unmodified opinion is a clean opinion. It is the highest level of assurance that a District can receive. It basically states that the financial statements present fairly the financial position of the District as of June 30,2026. They also issued what is termed the Yellow Book Report which is a report on controls and compliance. There is also what we call a Management Letter along with our required communications. Mr. Daniele went on to say that he was happy to report that while we did have a couple of comments, nothing rose to a level we call a material weakness or significant deficiency. We also audited the Extra Classroom Activity Funds and issued a separate report. We were able to report there was no fraud or allegations. Internal controls appear to be in place and operating as designed and the Business Office was very cooperative through the entire process.

Additional areas covered in Mr. Daniele's PowerPoint presentation included:

2026 Revenues & Expenditures Compared to Budget
2026 Major Revenues – General Fund
2026 Major Expenditures – General Fund
Comparative Fund Balance Analysis – General Fund
Other Considerations – Other Funds
