Our Community of Commitment

At St. John Paul II Catholic School, we are more than a school. We are a family of families, united in faith and committed to nurturing our children spiritually and academically as we guide them toward becoming saints.

“To whom much is given, much will be required”

Luke 12:48

StJPII expects each family to embrace the responsibility of helping make our school the special, faith-filled community it is. Every family plays an important role in strengthening our community.

Our Patron reminds us, “No Christian can play a purely passive part.” As a result, being part of our Saints Family means more than simply attending our school; it means actively sharing your time, talents, and treasures to support our shared mission for your children.

TIME

Be present. Attend Mass with your children (both at the school and on Sundays), volunteer, and participate in school events. Your involvement brings our community to life.

TALENT

Share your gifts. Serve on a committee, support an event, or offer your unique skills to help our school flourish.

TREASURE

Give generously! Tuition alone does not cover the full cost of a St. John Paul II education. Donations and gifts to the Annual Fund are essential to sustaining our mission, supporting our students, and maintaining our school.

A thriving community requires a shared commitment. Every hour volunteered, talent shared, and gift given makes a difference. Together, we create the welcoming, faith-filled school family that makes St. John Paul II feel like home.

This is our Community of Commitment.
