Introduction

The purpose of this handbook is to provide information that will help with questions and pave the way for a successful year. Not all district policies and procedures are included. Those that are, have been summarized. This handbook and the information within are subject to change at any time by the district.

This handbook is neither a contract nor a substitute for the official district policy manual. Nor is it intended to alter the at-will status of noncontract employees in any way. Rather, it is a guide to and a brief explanation of district policies and procedures related to employment. These policies and procedures can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate district office. District policies can be accessed Online at https://pol.tasb.org/PolicyOnline?key=359. The online version serves as the official, most current, and updated record of all District policies.

Texas law grants the board of trustees the power to govern and oversee the management of the district's schools. The board is the policy-making body within the district and has overall responsibility for the curriculum, school taxes, annual budget, employment of the superintendent and other professional staff, and facilities. The board has complete and final control over school matters within limits established by state and federal laws and regulations.

The board of trustees is elected by the citizens of the district to represent the community's commitment to a strong educational program for the district's children. Board members are elected by the citizens of Carrollton-Farmers Branch ISD and serve 3-year terms. Board members serve without compensation, must be qualified voters, and must reside in the district.

Current board members include:

- Cassandra Hatfield - President
- Kim Brady - Vice President
- Ileana Garza-Rojas - Secretary
- Marjorie Barnes - Member
- Carolyn Benavides - Member
- Paul Gilmore – Member
- Cinthya Noda Vazquez – Member

The board usually meets first Thursday of the month at 7:00 pm. In the event that large attendance is anticipated, the board will notify the public of venue. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted on the district website and at least three business days before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a one-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed session may occur for such things as discussing prospective gifts or donations, real-property acquisition, certain personnel matters including employee complaints, security matters, student discipline, or consulting with attorneys regarding pending litigation.

Employment

Equal Employment Opportunity

Policies DAA, DIA

In its efforts to promote nondiscrimination and as required by law, CFBISD does not discriminate against any employee or applicant for employment because of race, color, religion, sex (including pregnancy, sexual orientation, or gender identity), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

In accordance with Title IX, the district does not discriminate on the basis of sex and is prohibited from discriminating on the basis of sex in its educational programs or activities. The prohibition against discrimination extends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

The district designates and authorizes the following employee as the Title IX coordinator for employees to address concerns or inquiries regarding discrimination based on sex, including sexual harassment: Dr. Tamy Smalskas, 1445 N. Perry Rd. Carrollton, TX 75006, smalskast@cfbisd.edu 972-968-6237. Reports can be made at any time and by any person, including during non-business hours, by mail, email, or phone. During district business hours, reports may also be made in person.

The district designates and authorizes the following employee as the ADA/Section 504 coordinator for employees for concerns regarding discrimination on the basis of a disability:

Coordinator:	Dr. Andrew Palacios – Employee Relations Director
Investigators:	Jerry Martinez, Director of Human Resources
	Dr. Agueda Paredes, Director of Human Resources
Decision Maker:	Dr. Kara Miller, Director of Human Resources
Appeals:	Dr. Tamy Smalskas, Assistant Superintendent of Human Resources

Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent or email HR department at cfbhrteam@cfbisd.edu .

Job Vacancy Announcements

Policy DC

Announcements of job vacancies by position and location are posted on a regular basis to the district's website. All internal-only job postings are communicated through a districtwide staff email. Employees are encouraged to regularly check the district's Frontline job portal for the most up-to-date vacancy listings, available at:
https://www.applitrack.com/cfbisd/onlineapp/default.aspx?all=1

Employment after Retirement

Policy DC

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment after Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Website (www.trs.texas.gov).

Contract and Noncontract Employment

Policy DC series

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

Probationary Contracts. Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in district employment or employees who move to a position requiring a new class of certification may also be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the district may not exceed one school year.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

Term Contracts. Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed online or copies will be provided upon request.

Noncertified Professional and Administrative Employees. Employees in professional and administrative positions that do not require SBEC certification (such as noninstructional administrators) are not employed by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Paraprofessional and Auxiliary Employees. All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Certification and Licenses

Policies DBA, DF

Professional employees whose positions require SBEC certification or a professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to the Coordinator of Certification and Compliance in a timely manner. Employees licensed by the Texas Department of Licensing and Regulations (TDLR) must notify the Human Resource department when there is action against, or revocation of, their license.

A certified employee's contract may be voided without Chapter 21 due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact the Human Resource department if you have any questions regarding certification or licensure requirements.

Recertification of Employment Authorization

Policy DC

At the time of hire all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in

advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact Human Resources by sending an email to cfbhrteam@cfbisd.edu if you have any questions regarding reverification of employment authorization. Failure to verify employment authorization may result in termination.

Searches and Alcohol and Drug Testing

Policy CQ, DHE

Noninvestigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, and work areas including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business. Disciplinary action, up to and including termination, may result if an employee refuses to submit to testing or is found to violate district policy.

Employees Required to Have a Commercial Driver's License. Any employee whose duties require a commercial driver's license (CDL) is subject to alcohol and drug testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact Human Resources by sending an email to cfbhrteam@cfbisd.edu.

Health Safety Training

Policies DBA, DMA

District employees who are head directors of a marching band or head coaches or chief sponsors of an extracurricular athletic activity (including cheerleading) that is sponsored or sanctioned by the district or UIL must maintain and submit to the district proof of current certification in first aid and cardiopulmonary resuscitation (CPR) issued by the American Red Cross, the American Heart Association, or another authorized organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to the department supervisor or campus principal by August 1 of each year.

Nurses, athletic coaches or sponsors, PE teachers, marching band directors, cheerleading coaches, and other certain employees must obtain and maintain certification in the principles and techniques of cardiopulmonary resuscitation (CPR) and the use of an automated external defibrillator (AED) provided by the American Red Cross, the American Heart Association, or another authorized organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to the department supervisor or campus principal by August 1 of each year.

School nurses and employees with regular contact with students must complete a Texas Education Agency approved, online training regarding seizure disorder awareness, recognition, and related first aid.

Reassignments and Transfers

Policy DK

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA(Local).

An employee with the required qualifications for a position may request a transfer to another campus or department. A written request for transfer must be completed and signed by the employee and the employee's supervisor. A teacher requesting a transfer to another campus before the school year begins must submit his or her request by June 1. Requests for transfer during the school year will be considered only when the change will not adversely affect

students and after a replacement has been found. All transfer requests will be coordinated by the Human Resource office and must be approved by the receiving supervisor.

Campus Reassignments - Leveling

Prior to the first day of classes, the teacher with the least seniority in the District (total continuous length of service) will be the first to be reassigned from that building.
After the first day of classes, the following criteria may be used to determine reassignments:

- Adjunct teachers may be moved prior to fully certified teachers pending principal input.
- The teacher with the least seniority in the District (total continuous length of service) in the grade level with low enrollment will be the first to be reassigned from that building.
- The teacher must have a rating of developing or higher in all objectives of his/her TTESS.
- The teacher must not have had a negative contract action within the previous two years.
- Teachers with special duty assignments such as coaches, department/grade level chair, fine arts, or sponsors may be excluded from reassignment with the approval of the Assistant Superintendent of Human Resources in consultation with the Principal.
- Special education teachers shall be compared with other special education teachers.
- Teachers with dual certification teaching dual subject areas may be excluded from reassignment with the approval of the Assistant Superintendent of Human Resources in consultation with the principal.
- Subject area/certification seniority will be used if an assignment is based on subject area rather than grade level considerations.
- District will follow board policy DFFA

Seniority is defined as continuous full-time employment within the District in any professional capacity, including any approved leaves of absence. Seniority is based on the official hire date or when an employment contract was signed. Part-time employment does not count towards seniority. A resignation and subsequent reemployment begin a new tenure for purposes of seniority.
If the total length of service in the District is equal, the date of certification in the respective grade level or subject matter will be used. Voluntary reassignments may be considered upon the approval of the Assistant Superintendent of Human Resources in consultation with the principal. Non-contractual supplemental duties for which supplemental pay is received may be discontinued by the District at any time. Paid supplemental duties are not part of the District's contractual obligation to the employee, and an employee shall hold no expectation of continuing assignment to any paid supplemental duty.

Clerical/Paraprofessional Reassignments

An employee may be reassigned to another position for which he/she is qualified according to the needs of the District. Employees may be reassigned for many reasons, including decreased enrollment, internal reorganization, external reorganization, or District needs.
The employee with the least seniority in the District in the department affected will be the first to be reassigned from that campus/department. Employees will be compared with other employees who are in the same position. If the total length of service in the District by

department is equal, performance may be considered.

Transfers of Married Couples Working on Same Campus

An employee may not be directly supervised by another employee who is related by blood or marriage. A married couple may not work on the same campus unless approved by the Principal/Director and Human Resources.
The Principal may request, in writing, to transfer one of the individuals off the campus at any time of the school year. The District will consider the effect on the educational environment in the decision.

Policies DEAB, DK, DL

Professional Employees. Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and Auxiliary Employees. Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. See Overtime Compensation on page in this manual for additional information.

ADA Accommodations

Policies DAA, DBB, DIA

The district will provide reasonable accommodations to employees with a disability if the accommodation would allow the individual to perform the essential functions of their job, unless doing so would create an undue hardship. An employee or their supervisor may initiate a request for accommodation by contacting the Human Resource department and identifying an adjustment or change at work that is needed because of a disability. An employee may also

submit a written request to HR using the ADA Accommodation Request Form, which is available from the Human Resource Department by emailing cfbhrteam@cfbisd.edu .

Upon receiving the reasonable accommodation request, HR or the ADA coordinator will meet with the employee and conduct an informal, interactive discussion to identify an accommodation that will allow the employee to perform the essential functions of the job effectively. The district may request medical information concerning the employee's disability and to assist in determining what accommodation(s) may be available and appropriate. The employee will be responsible for obtaining the information from their health care provider. Medical information received will be confidential and kept separate from the employee's personnel file.

After meeting with the employee and reviewing medical documentation, HR or the ADA coordinator will determine whether the employee is a qualified individual with a disability and develop a reasonable accommodation plan for the employee. Accommodation will be determined on a case-by-case basis. HR or the ADA coordinator will work closely with the employee and supervisor to ensure that reasonable accommodation is provided and effective.

Breaks for Expression of Breast Milk

Policies DEAB, DG

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

The Providing Urgent Maternal Protections of Nursing Mothers Act (PUMP Act) requires an employee to notify the district if they believe the district is out of compliance in providing breaks for a nursing mother. The employee must give the district 10 days to come into compliance before making any claim of liability against the district. An employee with concerns should contact Assistant Superintendent for Human Resources at 972-968-6100.

Pregnant Workers Fairness Act

The Pregnant Workers Fairness Act (PWFA) provides consideration of accommodations to employees who have known limitations related to pregnancy, childbirth, or related medical

conditions. An employee seeking a PWFA accommodation should contact the HR department to begin the interactive process.

Notification to Parents Regarding Qualifications

Policies DK, DBA

In schools receiving Title I funds, the district is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to an uncertified substitute, inappropriately certified teacher or an uncertified teacher. This notice is not required if parental notice under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit, including substitutes. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call the Human Resource department.

Outside Employment and Tutoring

Policy DBD

All employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Administrators. An employee (other than employees primarily responsible for in-class instruction) who has significant administrative duties relating to the operation of a school district, including the operation for a campus, program, or other subdivision of the district may not receive financial benefits for performing personal services for any business entity that conducts or solicits business with the district. With exceptions as noted below, administrators are also prohibited from receiving financial benefits for performing personal services for any education business that provides services regarding the curriculum or administration of any school district or financial benefits for performing personal services for other school districts, open enrollment charter schools, and education service centers.

Exceptions apply to an administrator who is not a superintendent, assistant superintendent, or member of a board of managers if the board approves as required by statute. To be approved,

services must be performed on the administrator's personal time. Contact the Human Resource department for more information.

Teachers. Teachers shall not privately tutor their own students for pay. Teachers who tutor District students for pay other than their own shall file the students' names with their principal. The Superintendent or designee reserves the right, at all times, to prohibit teachers from tutoring any District students.

Performance Evaluation

Policy DN, DPB series

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Upon receiving a report, a nursing review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to a patient.

The annual appraisal of District teachers shall be in accordance with Texas Teacher Evaluation and Support System (T-TESS). The District shall establish an appraisal calendar each year.

Employees may present complaints regarding the evaluation and appraisal process in according to the District's complaint policy for employees. [See DGBA]

Employee Involvement

Policies BQA, BQB

At both the campus and district levels, CFBISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the Leadership and Learning department.

Staff Development

Policy DMA

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for noninstructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

Mental Health Training

Policy DMA

All district employees who regularly interact with students are required to complete an evidenced-based mental health training program that is designed to provide instruction regarding the recognition and support of children and youth who experience mental health or substance use issues that may pose a threat to school safety. Employees must provide a certificate of completion to the district that includes the name of the training course, along with supporting documentation confirming that the training meets the requirements of the commissioner rules for mental health training.

Campus staff required to complete the training includes, but is not limited to, teachers, coaches, librarians, instructional coaches, administrators, administrative support personnel, school resource officers, security specialists, paraprofessionals, substitutes, custodians, cafeteria staff, bus drivers, and district special program liaisons, and supervisors of personnel who regularly interact with students.

Compensation and Benefits

Salaries, Wages, and Stipends

Policies DEA, DEAA, DEAB

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (See *Overtime Compensation*)

All employees will receive written notice of their pay and work schedules before the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.
Each employee is required to verify their salary, stipends, experience, and workdays during the time designated by HR and Payroll each year. Employees can access this information in TEAMS Employee Self-Serve located via the CFB Staff Portal. After reviewing the information, employees should submit questions in the Employee Self Service Center. Human Resources and the Payroll Department will not adjust base pay or stipends prior to the current fiscal year.

Employees should contact the Payroll for more information about the district's pay schedules or their own pay.

Timekeeping Procedures – Non-Exempt Employees

Purpose

The purpose of this procedure is to ensure the accurate recording of hours worked, maintain compliance with the Fair Labor Standards Act (FLSA), and provide consistent payroll practices throughout the District.

Scope

These procedures apply to all non-exempt (hourly) employees required to record their work time through the District's electronic timekeeping system.

1. Approved Method of Timekeeping

All non-exempt employees are required to record their work time using the District's designated kiosk located at their assigned worksite or other District laptop using the timestamp button.

The designated time clock is the District's official method of recording time worked.
Employees are responsible for ensuring that all punches accurately reflect their actual work hours.

2. Mobile Clocking

To maintain consistent payroll practices and ensure accurate reporting of work hours, employees are **not permitted to clock in or out using a personal mobile device**.
Mobile punching through a smartphone, tablet, or other personal device is not allowed for all employees unless specifically authorized by the Payroll Department and Human Resources due to an operational necessity approved by the Superintendent or designee.
Examples of approved exceptions may include:

- District-approved off-site work assignments
- Emergency operations
- Temporary equipment failures
- Other circumstances approved in advance by Payroll and Human Resources

Employees should not expect mobile punching to be available during normal daily work assignments.

3. Clocking In and Out

Employees are expected to:

- Clock in no earlier than the beginning of their scheduled workday unless authorized by their supervisor.
- Clock out at the end of their scheduled workday.
- Record unpaid meal periods when required.
- Record all time worked each day.
- Verify that each punch has been successfully recorded.

Employees may not perform work before clocking in or after clocking out.

4. Missed Punches

If an employee forgets to clock in or out or experiences a time clock malfunction, the employee must notify their supervisor as soon as reasonably possible.
The supervisor shall verify the hours worked and submit a time correction in accordance with Payroll procedures.
Repeated missed punches may result in corrective action.

5. Prohibited Practices

The following practices are strictly prohibited:

- Clocking in or out for another employee ("buddy punching")
- Allowing another employee to record your work time
- Falsifying time records
- Altering electronic time records without authorization
- Working off the clock
- Clocking in before arriving at the assigned work location
- Remaining clocked in after work has ended
- Using a personal mobile device to record work time without District authorization

Violation of these procedures may result in disciplinary action, up to and including termination of employment.

6. Supervisor Responsibilities

Supervisors are responsible for:

- Monitoring employee time records for accuracy.
- Reviewing and approving employee time each pay period.
- Investigating unusual or inconsistent punches.
- Ensuring employees do not work unauthorized overtime.
- Reporting suspected misuse of the timekeeping system to Payroll and Human Resources.
- Submitting timely corrections for verified missed punches.

Supervisor approval of a time record does not authorize the omission or falsification of hours worked.

7. Payroll Department Responsibilities

The Payroll Department is responsible for:

- Maintaining the District's electronic timekeeping system.
- Providing guidance regarding timekeeping procedures.
- Processing approved time corrections.
- Monitoring system reports for unusual timekeeping activity.
- Maintaining payroll records in accordance with federal and state record retention requirements.

8. Compliance

Accurate timekeeping is required under the Fair Labor Standards Act (FLSA). All hours worked must be reported and compensated in accordance with federal and state law.
Employees who perform work must report all time worked, regardless of whether the work was authorized. Unauthorized work may result in disciplinary action; however, all hours worked must still be recorded and paid.

9. Effective Date

These procedures are effective upon approval and supersede any previous departmental practices related to employee timekeeping. Payroll and Human Resources reserve the right to revise these procedures as operational needs or legal requirements change.

Paychecks

All professional and salaried employees are paid monthly. Hourly employees are paid semi-monthly. Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization. Employees are responsible for regularly reviewing the accuracy of their pay statement and should contact PayrollHelp@cfbisd.edu if they have any questions.

*** Short Turnover Time**

Automatic Payroll Deposit

Employees can have their paychecks electronically deposited into a designated account. A notification period of one pay period is necessary to activate this service.

The Payroll Office must be notified no later than the 5th of the month for a change to be effective the following payday. For employees new to CFBISD, all paperwork required by the Human Resource Department must be submitted before direct deposit information will be given to Payroll. Employees new to CFBISD will be required to pick up their payroll check from the Human Resource Department until all required paperwork is submitted. With automatic deposit, an employee's money is immediately available on the pay date.

In an effort to further enhance our District's cybersecurity defenses, all new direct deposits or changes to a direct deposit must be done in person at the payroll office located in the Administration Building, 1445 N. Perry Road. Please bring with you a picture ID (driver's license or employee ID), Direct Deposit form with voided check (or letter from bank with routing and account number). Call 972-968-6121 to make an appointment to change your Direct Deposit information.

Contact the Payroll Department for more information about the automatic payroll deposit service.

Payroll Deductions

Policy CFEA

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or Social Security employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)
- Child support and spousal maintenance, if applicable
- Medical support order
- Delinquent federal education loan payments, if applicable

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans or prepaid tuition programs. Employees also may request payroll deduction for payment of membership dues to professional organizations and the Child Development Academy. Salary deductions are automatically made for unauthorized or unpaid leave.

Overpayments. Employees are not entitled to any funds the district overpays. An overpayment occurs if an employee is paid more than the amount the employee should have been paid under the assigned pay grade and applicable supplemental pay.

If an overpayment is reported in the current fiscal year, a payment plan will be developed to recoup the payment. Generally, an overpayment will be paid in one pay cycle. However, if this creates an undue hardship for the employee, the district has the discretion to develop a plan for regular payroll deductions in the same fiscal year.

An agreement between an employee and the district must be in place in order to deduct any overpayment.

Overtime Compensation

Policies DEAB, DEC

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action up to and including termination.

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. For the purpose of calculating overtime, a workweek begins at 12:00 AM Sunday and ends at 11:59 PM Saturday.

Nonexempt employees that are paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay unless they work more than 40 hours.

Employees may be compensated for overtime (i.e., hours beyond 40 in a workweek) at time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:

- Employees can accumulate up to 60 hours of comp time.
- Comp time must be used in the duty year that it is earned.
- Use of comp time may be at the employee's request with supervisor approval, as workload permits, or at the supervisor's direction.
- An employee is required to use comp time before using available paid leave (e.g., sick, personal, vacation).
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

Extra Duty Pay

Extra duty pay is compensation earned outside the employee's regular schedule. An employee may not use any type of leave provided by the District to work a District event and obtain extra pay.

Travel Expense Reimbursement

Policy DEE

Before any travel expenses are incurred by an employee, the employee's supervisor and finance department must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. Employees must submit receipts, to the extent possible, to be reimbursed for allowable expenses other than mileage.

Health, Dental, and Life Insurance

Policy CRD

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school employee health insurance program. The district's contribution to employee insurance premiums for full time employees in a regular role of at least 20 hours is determined annually by the board of trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members
- Employees who are not contributing TRS members and who are employed for 10 or more regularly scheduled hours per week including Substitute and Temporary employees.

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year or by contacting the Benefit Department within 31 days of experiencing a qualifying event (e.g., marriage, divorce, birth) to make corresponding change. Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees via http://www.mybenefitshub.com/CFBISD . Employees should contact benefithelp@cfbisd.edu for more information.

Supplemental Insurance Benefits

Policy CRD

At their own expense, eligible employees in a regular position of at least 20 hours per week may enroll in supplemental insurance programs for dental, vision, other supplemental

insurances offered by the District benefit plan. All employees are eligible to enroll in 457(b) deferred compensation plan and 403(b) annuities. Premiums for these programs can be paid by payroll deduction. District life insurance beneficiary may be changed at any time. Employees should contact benefithelp@cfbisd.edu for more information.

Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., medical, dental, and vision). A third-party administrator regulates changes to pretax benefits and handles employee claims made on pretax Flexible Medical and Dependent Care Reimbursement accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

Workers' Compensation Insurance

Policy CRE

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has workers' compensation coverage self-insured by the district, effective 4/1/1993.

Benefits help pay for medical treatment and may make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to workerscompensation@cfbisd.edu . Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See *Workers' Compensation Benefits,* for information on use of paid leave for such absences.

Unemployment Compensation Insurance

Policy CRF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with

questions about unemployment benefits should contact the Human Resource department at cfbhrteam@cfbisd.edu .

Teacher Retirement

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify the Payroll department as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the web (www.trs.texas.gov). It is the responsibility of each individual to maintain the correct address and desired beneficiaries directly with TRS.

Other Benefit Programs

Reimbursement for Leave upon Retirement. In accordance with Policy DEC (LOCAL), all retiring personnel who meet state eligibility requirements for retirement shall be compensated for their accrued sick leave based on the following:

- May be compensated for unused days of state and local leave accumulated while employed in Carrollton-Farmers Branch ISD at the approved substitute teacher pay rate up to a ceiling of $5,000.
- To be eligible, contract employees must provide written notice at least 30 days before the last day of employment and non-contract employees must provide written notice at least two weeks before the last day of employment.

Voluntary Retirement Plans

Additional information on 457(b) and 403(b) voluntary retirement savings plans can be found on the District website at https://www.cfbisd.edu/departments/business-support-services/benefits-department/employee-benefits/retirement-plans

Leaves and Absences

Policies CRD, DBB, DEC, DECA, DECB, DED, DG

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call the payroll office at 972-968-6193 for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Paid leave must be used in half day increments. Earned comp time must be used before any available paid state and local leave. Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- Local leave
- State sick leave accumulated prior to the 1995-96 school year under the terms and conditions applicable to such state sick leave.
- State personal leave

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification. Any unapproved absences or absences beyond accumulated or available paid leave shall result in deduction from the employee's pay.

If an hourly employee does not report or request leave of absence(s) according to district procedures, the incident is considered a "no call/no show". An employee who is absent for 5 consecutive days without notice is considered to have abandoned their job and may face disciplinary consequences up to and including termination.

Immediate Family. For purposes of leave other than family and medical leave, immediate family is defined as the following:

- Spouse
- Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis.
- Parent, stepparent, parent-in-law, or other individual who stands in loco parentis to the employee.
- Sibling, stepsibling, and sibling-in-law
- Grandparent and grandchild
- Any person residing in the employee's household at the time of illness or death

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definition of these are found in Policy DECA(LEGAL).

Medical Certification. Any employee, who is absent more than 5 days because of a personal or family illness, must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee's fitness to return to work.

The district may require medical certification due to an employee's questionable pattern of absences or when deemed necessary by the supervisor or superintendent. The district may also request medical certification when an employee requests leave under the Family and Medical Leave Act (FMLA) for the employee's serious health condition, a serious health condition of the employee's spouse, parent, or child, or for military caregiver leave.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member, or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Continuation of Health Insurance. Employees, on an approved leave of absence other than family and medical leave, may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the FMLA will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FML. If an employee's unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

Nondiscretionary. Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary may be used in the same manner as state sick leave.

Discretionary. Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor 14 days in advance of the anticipated absence. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

An employee wishing to take one to four consecutive days of discretionary/personal leave must submit a written request to his/her principal/supervisor in advance of the anticipated absence and the principal/supervisor must approve the written request before the leave may be taken. If the request is for five (5) consecutive days or more, the request must be submitted for approval by the principal/supervisor and delivered to the Assistant Superintendent of Human Resources. The Personal Leave Request Form is located at the following location under LEAVE INFORMATION: https://www.cfbisd.edu/departments/human-resources/employee-forms

Any discretionary absences over five (5) consecutive days cannot be approved per Board Policy DEC (LOCAL) and will be docked at the employee's daily rate. If the discretionary personal leave is not approved in advance, the employee will be docked full pay for the missed days. For campus staff, discretionary leave shall not be used immediately preceding or following a school holiday, on staff development days, on teacher workdays, or on state testing days, unless approved by the principal/supervisor. The principal/supervisor may disapprove state personal leave days to preserve the continuity of the instructional program.

Leave Proration. If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave may be used for the following reasons only:

- Employee illness

- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

Local Leave

- The purpose of state and local sick leave is to provide employees with income protection during brief personal or family illnesses.
- Local sick leave is for all full-time regularly employed TRS Eligible personnel.
- Local sick leave is advanced at the beginning of the school year for the employee's use.
- Employees new to the District will receive automatic membership in the local sick leave bank with the District depositing two local sick leave days per employee the first year of employment. Upon an employee's second year of employment with the District and thereafter, local sick leave shall be earned to a maximum of seven (7) workdays depending on the assigned workday calendar.
- When an employee who resigns has used more local sick leave in a school year than he/she has accumulated or earned, the cost of the unearned local sick leave days shall be deducted from the employee's paycheck after an audit at year end or upon termination.
- There is no limit on accumulation of state or local sick leave.
- Upon termination, remaining earned state sick leave may be transferred to other Districts within the state. Local sick leave balances may not be transferred, retained, or donated to another employee. Local sick leave will be transferred to the Sick Leave Bank.
- Local sick leave shall be used according to the terms and conditions of state personal leave.

Excessive Absences

Employees are expected to limit use of state and local leave to no more than 10 total days per school year, unless leave is protected under applicable federal or state law (e.g., FMLA, ADA, Temporary Disability Leave). Any absences or a questionable pattern of absences that causes an employee to exceed the 10-day total leave threshold for the school year will be required to provide medical certification to the supervisor. Per board policy DFBB(LOCAL) excessive absences is a reason for non-renewal of an employee's contract. For further information regarding excessive absences please refer to DEC (Regulations).

Flex Days

Policy DED

Eligible employees working on a 226 calendar in positions requiring 12 months of service (July 1 – June 30) shall receive unpaid flex days in accordance with their work calendar administrative regulations. All employees must get prior approval from his or her supervisor prior to entering or taking any flex days.

- **Exempt Employees**: Flex days for the preceding school year must be used before December 31 of the current school year. Exempt employees will forfeit remaining days. If an employee separates employment with CFBISD, any unused vacation or flex days will be forfeited.
- **Non- Exempt Employees**: Flex days for the preceding school year must be used before December 31 of the current school year. Non-Exempt employees will be directed to take time off prior to December 31 in order to avoid being compensated for their time.

Vacation Days

Policy DED

Eligible employees in positions normally requiring 12 months of service annually shall receive paid vacation days in accordance with administrative regulations that address the following:

1. Eligibility criteria;
2. Accrual rates and availability;
3. Request and approval processes;
4. Accumulation and carryover limits; and
5. Treatment of vacation days upon separation from service.

Sick Leave Bank (SLB)

Administrative regulations implementing DEC(LOCAL)

Regulatory Authority. These regulations govern the operation of the District Sick Leave Bank. If a conflict exists, applicable law and Board policy control.

Purpose and Scope

1. The purpose of the Sick Leave Bank is to provide additional paid leave to an eligible member after the member has exhausted all available paid leave and a qualifying circumstance prevents the member from working.
2. A member may request Sick Leave Bank days when:

- the employee, the employee's spouse, child, or parent experiences a catastrophic illness or injury, as defined by DEC(LOCAL); or
- the employee's spouse, child, or parent has a certified terminal illness.

3. Sick Leave Bank days provide compensation for qualifying scheduled workdays. Approval does not extend the duration of Family and Medical Leave Act leave, temporary disability leave, or any other applicable leave entitlement.

Definitions

Catastrophic Illness or Injury – DEC (LOCAL)
A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee's immediate family that requires the services of a licensed practitioner for a prolonged period of time and forces the employee to exhaust all leave time earned by the employee and lose compensation from the District. Such conditions typically require prolonged hospitalization or recovery or are expected to result in disability or death. Conditions related to pregnancy or childbirth shall be considered catastrophic when they meet these requirements.

Qualifying Family Member
For purposes of requesting Sick Leave Bank days under these regulations, a qualifying family member is the employee's spouse, child, or parent, consistent with DEC(LOCAL).

Sick Leave Bank Operational Year
For administration, contribution, and annual benefit limits under these regulations, the Sick Leave Bank operational year is July 1 through June 30.

Scheduled Workday
A scheduled workday is a day on which the employee is required to work and would otherwise receive compensation.

Membership and Eligibility

4. A full-time employee who is new to the District shall receive automatic membership in the Sick Leave Bank per Board Policy DEC (LOCAL).
5. A new employee must complete at least one workday before becoming eligible to use Sick Leave Bank days.
6. To be eligible to receive Sick Leave Bank days, an employee must:
   - be a current member of the Sick Leave Bank;

Contribution and Maintenance of the Bank

8. The District shall provide three paid local leave days and automatic membership in the local sick leave bank for full-time employees who are new to the District per board policy DEC (LOCAL).
9. If the Sick Leave Bank balance falls below established participation-based thresholds as of September 30, participating members may be required to make additional local leave contributions in October. Any replenishment contribution shall be limited to the amount of local leave available to the member.
10. Unused days remaining in the Sick Leave Bank at the end of the operational year shall be carried forward to the next operational year.
11. Days contributed to the Sick Leave Bank become part of the bank and shall not be restored to an individual employee's leave balance except as required by law or Board policy.
12. The District administers a Sick Leave Bank rather than a leave donation program. Employees may not donate or transfer leave directly to another employee. Assistance to eligible employees is provided exclusively through the Sick Leave Bank.

Conditions for Granting Sick Leave Bank Days

13. Sick Leave Bank days may be granted for:
    - the employee's own catastrophic illness or injury as defined above and defined by policy DEC(LOCAL);
    - a catastrophic illness or injury of the employee's spouse, child, or parent.
14. The qualifying circumstance must necessitate an absence from work of at least five consecutive workdays.
15. Sick Leave Bank days shall be granted only for scheduled workdays on which the employee would otherwise have worked and received compensation.
16. Sick Leave Bank days shall not be granted for holidays, vacation days, nonscheduled workdays, or other days for which the employee would not experience a loss of compensation.
17. The maximum number of Sick Leave Bank days that may be granted during an operational year is 30 days, subject to the following limits:
    - employee, spouse or child: a maximum of 30 days per person; and
    - parent: a maximum of 10 days per person.
18. If a member receives fewer than 30 Sick Leave Bank days, returns to work, and is later absent because of the same or another qualifying circumstance, the member may submit an additional application. The combined number of days granted shall not exceed the applicable limit.

19. Each separate catastrophic illness or injury request must independently satisfy the eligibility, absence, and documentation requirements of these regulations.
20. Conditions related to pregnancy or childbirth may qualify when the condition meets the definition of catastrophic illness or injury in DEC(LOCAL).
21. An elective procedure shall not qualify when the procedure may be delayed until the employee is not required to work without jeopardizing the health of the employee or qualifying family member, as supported by medical certification.
22. An absence attributable to a workers' compensation injury or work-related illness shall not be covered by the Sick Leave Bank.
23. An employee shall not be eligible for Sick Leave Bank days for a period during which the employee is actively working for another employer.
24. A member may receive no more than the amount of compensation lost. If a request is approved after payroll processing, any reimbursement shall be made through a subsequent regular payroll after notice to Payroll.

Coordination with Other Leave

25. Sick Leave Bank days shall run concurrently with FMLA leave, temporary disability leave, and any other applicable leave designation to the extent permitted or required by law and Board policy.

27. The District may designate the same absence under each applicable leave provision based on the circumstances and supporting documentation.

Application Procedures

28. The employee shall submit the District's designated leave application through the supervisor or principal to the office designated by the Superintendent or designee.
29. The application shall include a Certification of Health Care Provider or other District-required medical certification completed by an appropriate health-care provider.
30. The medical certification must provide sufficient information to establish:
    - the qualifying catastrophic illness, injury, or certified terminal illness;
    - the date the condition or incapacity began;
    - the expected duration of the condition or period of incapacity;
    - how the condition necessitates the employee's absence from work; and
    - the anticipated return-to-work date, when known.
31. An incomplete application may be returned for correction or additional information. The Committee is not required to act until sufficient information has been provided.
32. To be considered at the next regularly scheduled Committee meeting, an application should be received no later than the last working day of the calendar month. An application

received after that date may be considered at the following meeting or at an earlier specially called meeting.

33. Application forms shall be made available through the District office designated to administer employee leave, the employee's supervisor or principal, and any District website or employee portal identified for that purpose.

Family and Medical Leave Act (FMLA)—General Provisions

The following text is from the federal notice, *Your Employee Rights Under the Family and Medical Leave Act.* Specific information that the district has adopted to implement the FMLA follows this general notice.

What is FMLA leave?

The Family and Medical Leave Act (FMLA) is a federal law that provides eligible employees with **job-protected leave** for qualifying family and medical reasons.

The U.S. Department of Labor's Wage and Hour Division (WHD) enforces the FMLA for most employees. Eligible employees can take **up to 12 workweeks** of FMLA leave in a 12-month period for:

- The birth, adoption or foster placement of a child with you,
- Your serious mental or physical health condition that makes you unable to work,
- To care for your spouse, child or parent with a serious mental or physical health condition, and
- Certain qualifying reasons related to the foreign deployment of your spouse, child or parent who is a military servicemember.

An eligible employee who is the spouse, child, parent or next of kin of a covered servicemember with a serious injury or illness ***may*** **take up to 26 workweeks** of FMLA leave in a single 12-month period to care for the servicemember.

You have the right to use FMLA leave in **one block of time**. When it is medically necessary or otherwise permitted, you may take FMLA leave **intermittently in separate blocks of time, or on a reduced schedule** by working less hours each day or week. Read Fact Sheet #28M(c) for more information.

FMLA leave is ***not*** **paid leave**, but you may choose, or be required by your employer, to use any employer-provided paid leave if your employer's paid leave policy covers the reason for which you need FMLA leave.

Am I eligible to take FMLA leave?

You are an **eligible employee** if *all* of the following apply:

- You work for a covered employer,
- You have worked for your employer at least 12 months,

- You have at least 1,250 hours of service for your employer during the 12 months before your leave, and

- Your employer has at least 50 employees within 75 miles of your work location

Airline flight crew employees have different “hours of service” requirements.

You work for a **covered employer** if **one** of the following applies:

- You work for a private employer that had at least 50 employees during at least 20 workweeks in the current or previous calendar year,

- You work for an elementary or public or private secondary school, or

- You work for a public agency, such as a local, state or federal government agency. Most federal employees are covered by Title II of the FMLA, administered by the Office of Personnel Management

How do I request FMLA leave?

Generally, **to request FMLA leave you *must***:

- Follow your employer’s normal policies for requesting leave,

- Give notice at least 30 days before your need for FMLA leave, or

- If advance notice is not possible, give notice as soon as possible.

You **do *not* have to share a medical diagnosis** but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You ***must* also inform your employer if FMLA leave was previously taken** or approved for the same reason when requesting additional leave.

Your **employer *may* request certification** from a health care provider to verify medical leave and may request certification of a qualifying exigency.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

State employees may be subject to certain limitations in pursuit of direct lawsuits regarding leave for their own serious health conditions. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management or Congress

What does my employer need to do?

If you are eligible for FMLA leave, your employer ***must***:

- Allow you to take job-protected time off work for a qualifying reason,
- Continue your group health plan coverage while you are on leave on the same basis as if you had not taken leave, and
- Allow you to return to the same job, or a virtually identical job with the same pay, benefits and other working conditions, including shift and location, at the end of your leave.

Your **employer *cannot* interfere with your FMLA rights** or threaten or punish you for exercising your rights under the law. For example, your employer cannot retaliate against you for requesting FMLA leave or cooperating with a WHD investigation.

After becoming aware that your need for leave is for a reason that may qualify under the FMLA, your **employer *must* confirm whether you are eligible** or not eligible for FMLA leave. If your employer determines that you are eligible, **your employer *must* notify you in writing**:

- About your FMLA rights and responsibilities, and
- How much of your requested leave, if any, will be FMLA-protected leave.
- How to make required payments for benefits and insurance while on unpaid leave.

Where can I find more information?

Call **1-866-487-9243** or visit **dol.gov/fmla** to learn more.

If you believe your rights under the FMLA have been violated, you may file a complaint with WHD or file a private lawsuit against your employer in court. **Scan the QR code to learn about our WHD complaint process.**

Local Procedures for Implementing Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period measured forward from the date an individual employee's first FML begins.

Use of Paid Leave. FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently. Teachers have the option of not using paid leave during an FML absence for pregnancy or birth or adoption of a child.

Combined Leave for Spouses. Spouses who are employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave. When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

Fitness for Duty (Return to work). An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. When leave is taken for the employee's own serious health condition, the certification must address the employee's ability to perform essential job functions. The district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider. Fitness for duty is not required when an employee returns to work following leave to care for a family member with a serious health condition; to care for a child following birth, adoption, or foster care placement; or for qualifying exigency leave. An employee returning from FMLA leave taken for the employee's own serious health condition must provide the District with **at least two days' advance notice before returning to work**. Employees who are released to return to work with medical restrictions must provide those restrictions to Human Resources **before resuming work**. Human Resources will review the restrictions and, when applicable, initiate the **American with Disabilities Act (ADA) interactive process** to determine whether a reasonable accommodation is appropriate and can be provided. Employees should not return to work outside of their medical restrictions or begin working under modified restrictions without prior coordination with Human Resources.

Reinstatement. An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FML entitlement, and the district will maintain contributions to the employee's group health insurance and reinstate the employee at the end of the leave according to the procedures outlined in policy (see DECA(LEGAL)).

Failure to Return. If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

District Contact. Employees that require FML or have questions should contact payrollhelp@cfbisd.edu for details on eligibility, requirements, and limitations.

Temporary Disability Leave

Certified Employees. Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, Human Resources should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may

be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

Workers' Compensation Benefits

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage. If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any eligible absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury and should be immediately reported to workerscompensation@cfbisd.edu.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person nonresponsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Bereavement Leave

Use of state leave and/or local sick leave for death in the immediate family shall not exceed five workdays per occurrence, subject to the approval of the supervisor or principal. These five days shall be taken from current leave balances and, if leave balances are insufficient these absences

will be excused but unpaid.

Jury Duty

Policies DEC, DG

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee's attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

Compliance with a Subpoena

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.

Employees who are subpoenaed for personal court appearances related to an employee's personal business shall be deducted from the employee's state personal leave, if available, or shall be taken by the employee as leave without pay.

Truancy Court Appearances

An employee who is a parent, guardian of a child, or a court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

Religious Observance

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

Military Leave

Paid Leave for Military Service. Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to 15 days of paid leave per fiscal year when engaged in authorized training or duty orders by proper authority. An additional seven days of leave per fiscal year are available if called to state active duty in response to a disaster. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after Military Leave. Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. Employees returning to work following military leave should contact Human Resources. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact Benefits Office for details on eligibility, requirements, and limitations.

Changing an Absence Reason

In order for an absence reason that was entered incorrectly by the campus office staff to be changed, a written request must be submitted to payroll by the campus principal/department manager along with the original absence request stating the absence reason and date. Notification of change must be made within 30 days of the original absence. Corrections for absences entered by employees must be made within 30 days of the original absence. It is the employee's responsibility to review all absences entered and notify payroll within 30 days of the absence for ALL changes. Absences can be viewed in the Employee Service Center.

Bonus Day for Teachers with a Student Teacher

When the cooperating university or alternative certification program allow it, the student teacher may teach alone for the day and allow the cooperating teacher one release day. Any full-time teacher who is assigned the responsibility of supervising a student teacher may be granted the equivalency of one (1) bonus leave day per assignment per semester. It is recommended that the bonus leave day be taken during the last ten (10) days of the assignment. In the absence of the supervising teacher, the student teacher may serve as the substitute teacher for not more than one day if:

1. The supervising teacher submits the appropriate form;
2. The student teacher has been in that student teaching assignment for a minimum of fifteen (15) school days or thirty (30) half days; and
2. The cooperating teacher, the principal of the school, and the university supervisor agree that the student teacher is capable of handling successfully the teaching responsibilities; and
3. A certified classroom teacher in an adjacent room or a member of the same teaching team as the student teacher is aware of the absence of the cooperating teacher and agrees to assist the student teacher if needed; and
4. The principal of the school or the principal's representative is readily available in the building.

An assignment is defined as any 6, 8, or 12-week period defined by the university and approved by Human Resources, or any other time period as mutually agreed upon by both entities. The minimum number of days must be met as stated above. An assignment less than the minimum number of days will not qualify the cooperating teacher to be granted the bonus leave day. In cases where the student teacher is placed in a dual assignment, each cooperating teacher may be granted one (1) bonus leave day as long as all guidelines are satisfied. If the assignment is made on a half-day basis, the cooperating teacher may be granted two (2) half-days of bonus leave, however, the minimum number of days must be satisfied.

The day of bonus leave must be used in compliance with leave policies. These days do not accumulate and they must be requested and used during the time period that the student teacher is assigned. Absences for this request shall not be charged against the teacher's current annual leave allocation. The bonus day may not be used immediately before or after a school holiday.

If the student teacher is deemed to be incapable or unwilling to assume this responsibility, there will be no consideration given to other alternatives to allow the cooperating teacher to request the bonus leave day.

Employee Relations and Communications

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, in the district newsletter, and through special events and activities. Recognition and appreciation activities also include:

Teacher of the year Program:

1. Each campus will select one Teacher of the Year (TOY) to be recognized at the annual Teacher of the Year banquet. Campus Teacher of the Year recipients will complete a District questionnaire and participate in an interview with a District committee, comprised of administrators and community leaders.
2. The District committee will select one Elementary and one Secondary Teacher of the Year for the District.
3. The Campus Teachers of the Year along with the Elementary Teacher of the Year and the Secondary Teacher of the Year will be honored at a special event.
4. The Region 10 Teacher of the Year applications for the Elementary and Secondary Teacher of the Year for the District will be sent onto the Regional competition.

Employee Recognitions:

The CFB Champion Award recognizes teachers, employees, students and or community members for exemplifying excellence in:

- Leadership
- Outstanding attitude/disposition
- Community involvement/service
- Personal development
- Exemplary character
- Individual achievement

Nominations may be submitted at cfbchampions . A District committee will review the nominees and select a teacher(s) to recognize at school board meetings Oct - May. The award will also be presented to an employee, student, or community member/ group at school board meetings at the committee's discretion.

One B-I-G Family Awards

Each year, the Human Resources Department will present three awards to staff members for each campus or department, based on nominations submitted by their supervisors.

These awards recognize employees who consistently demonstrate the outstanding qualities that represent our one "BIG" Family in CFB. Each of the three awards corresponds to a letter in BIG:

B – [for example – Bright Light, Builder, or Belonging Awards]
I – [for example – Investigator, Integrity, or Inspiration Awards]
G – [for example – Giver, Go-Getter, or Genuine Awards]

Awards will be presented between January and May each year.

District Communications

Throughout the school year, the Communication Services office digital and print publications, multimedia productions, news releases and other communication materials. These publications offer employees and the community information pertaining to school activities, achievements and important updates.

The Communication Services office serves as the official District contact with the news media. Employees of the District may not speak on behalf of the District to news media without prior permission from the Chief Communications Officer and the employee's supervisor. If you are contacted by the news media in regard to your job, please call the Chief Communications Officer at 972-968-6186 and notify your supervisor immediately.

Complaints and Grievances

Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, the district's policy concerning the process of bringing concerns and complaints is reprinted as follows:

Follow the guidelines on this website https://www.cfbisd.edu/departments/human-resources/grievance-forms

Employee Conduct and Welfare

Standards of Conduct

Policy DH, DHA

All employees are expected to work together in a cooperative spirit to serve the best interests of the district and to be courteous to students, one another, and the public. Employees are expected to observe the following standards of conduct:

- Recognize and respect the rights of students, parents, other employees, and members of the community.
- Maintain confidentiality in all matters relating to students and coworkers.
- Report to work according to the assigned schedule.
- Notify their immediate supervisor in advance or as early as possible in the event that they must be absent or late. - Express concerns, complaints, or criticism through appropriate channels.
- Observe all safety rules and regulations and report injuries or unsafe conditions to a supervisor immediately.
- Use district time, funds, and property for authorized district business and activities only.

All district employees should perform their duties in accordance with state and federal law, district policies and procedures, and ethical standards. Violation of policies, regulations, or guidelines, including intentionally making a false claim, offering false statements, or refusing to cooperate with a district investigation may result in disciplinary action, up to and including termination. Alleged incidents of certain misconduct by educators, including having a criminal record, must be reported to SBEC by the superintendent. See *Reports to the Texas Education Agency,* for additional information.

The *Educators' Code of Ethics*, adopted by the State Board for Educator Certification, which all district employees must adhere to, is reprinted below:

II. contacting or meeting the student beyond the professional role or making efforts to gain access to or time alone with a student with no discernible professional purpose;
III. transporting the student without permission from the student's legal guardian or in violation of school board policy, unless for an emergency;

Standard 3.9. The educator shall refrain from inappropriate communication with a student or minor, including, but not limited to, electronic communication such as cell phone, text messaging, email, instant messaging, blogging, or other social network communication. Factors that may be considered in context and on the totality of the circumstances in assessing whether the communication is inappropriate include, but are not limited to:

I. the nature, purpose, timing, and amount of the communication;

III. whether the communication was made openly, or the educator attempted to conceal the communication;
IV. whether the communication could be reasonably interpreted as soliciting sexual contact or a romantic relationship;
V. whether the communication was sexually explicit;
VI. whether the communication involved discussion(s) of the physical or sexual attractiveness or the sexual history, activities, preferences, or fantasies of either the educator or the student; and
VII. whether the communication could be reasonably interpreted as threatening the welfare and/or safety of the student.

CFBISD Boundary Expectations

Physical Boundaries

Standard 3.2 of the Educator's Code of Ethics, codified in Board Policy DH(EXHIBIT) requires that educators "shall not intentionally, knowingly, or recklessly treat a student or minor in a manner that adversely affects or endangers the learning, physical health, mental health, or safety of the student or minor." In addition, Standard 3.5 states "the educator shall not intentionally, knowingly, or recklessly engage in physical mistreatment, neglect, or abuse of a student or minor."
To ensure healthy physical boundaries between educators and students, and to ensure that the standards in DH(EXHIBIT) are adhered to, the District provides the following guidance to employees regarding physical interactions:

Appropriate (Do's)	**Inappropriate (Don't's)**
• Side hugs • High-fives • Handshakes • Fist-bumps • Pat on the shoulder • Elbow bumps	• Front hugs • Shoulder rubs • Lap-sitting • Tickling • Wrestling • Kissing

Spotting in Athletics, Fine Arts, Dance, etc.

There are some programs that at times may require more involved physical contact between employees and students. Employees engaging in these activities are not given carte-blanche to disregard the precepts listed above. However, to the extent such contact is programmatically needed, and/or necessary to ensure the safety of students, the following guidelines must be adhered to. These guidelines are contemplated to address the following interactions:

1. Spotting athletes during practice, workouts and games;
2. Physical correction in athletics, theater, and/or dance; and
3. Athletic training.

Before engaging in these interactions, staff are expected to engage in the following process:

1. Ask the student for consent and explain the purpose of the spotting. If the athlete's posture is such that they will harm themselves while engaging in the activity, let them know that and then ask if they would like help. Likewise, when working on blocking in theater or technique in dance, explain why physical correction is needed and as the student if they want your help.
2. In emergency situations, such as when a gymnast is flying through the air, consent may not be possible. However, employees in these roles should be trained on recognized techniques for intervening in such situations and those techniques must be adhered to. Emergency does not give license for gratuitous unwanted contact.
3. Any physical contact that occurs should occur out in the open in front of other students and employees. There is no reason spotting or physical correction should happen in a one-on-one environment and/or in a private space away from other students. Athletic training is the only situation where physical contact may occur away from others depending on the level of severity, but even then there should be a chaperone in the room, parents should be informed, the treatment should be explained, and consent must be obtained prior to engaging in the treatment.
4. Lastly, any spotting or physical correction that is anticipated to occur in your program must be reviewed with parents and students at the beginning of the program. This ensures everyone is aware of the possible need for spotting and physical correction in the program, the techniques to be used by employees while spotting or physically correcting in that specific program, and the requirement that the employee obtain consent prior to engaging in spotting or physical correction. Similarly, parents and students should be informed of any anticipated athletic training that may occur during the program so parents and students are aware of the need and limitations of training.
5. Parents and students must be provided with information on reporting concerns in the program. Notice to parents and students prior to the beginning of the program ensures that all parties are aware of the expectations and that parents and students have the ability to report concerns and know the correct mechanism for doing so. The information shared with parents and students must include the program sponsor, director, and/or coach's information as well as the Title IX Coordinator as an alternate reporting mechanism.

Verbal Interactions

Standard 3.2 of the Educator's Code of Ethics, codified in Board Policy DH(EXHIBIT) requires that educators "shall not intentionally, knowingly, or recklessly treat a student or minor in a manner that adversely affects or endangers the learning, physical health, mental health, or safety of the student or minor." Standard 3.6 of the Educator's Code of Ethics states "[t]he educator shall not solicit or engage in sexual conduct or a romantic relationship with a student or minor." Further, Standard 3.9. of the Educator's Code of Ethics states "[t]he educator shall refrain from inappropriate communication with a student or minor." The State Board for Educator Certification has provided the following factors to consider in assessing whether the communication is inappropriate:

(i) the nature, purpose, timing, and amount of the communication;
(ii) the subject matter of the communication;
(iii) whether the communication was made openly, or the educator attempted to conceal the communication;
(iv) whether the communication could be reasonably interpreted as soliciting sexual contact or a romantic relationship;
(v) whether the communication was sexually explicit; and
(vi) whether the communication involved discussion(s) of the physical or sexual attractiveness or the sexual history, activities, preferences, or fantasies of either the educator or the student.

To avoid any concerns of this nature, the District puts forth the following verbal boundary principles to govern employee and student behavior regarding verbal discussions:

Appropriate (Do's)	**Inappropriate (Don't's)**
• Positive reinforcement • Encouragement • Appropriate jokes • Accolades • Praise • Discussing lessons, questions, etc.	• Telling/keeping secrets • Inappropriate/sexual jokes • Swearing • Discussing relationship issues or sexual history. • Yelling, screaming, or other demeaning behavior. • Commenting on student physical attributes

One-on-One Interactions with Students

Standard 3.8. of the Educator's Code of Ethics states "[t]he educator shall maintain appropriate professional educator-student relationships and boundaries based on a reasonably prudent educator standard." One-on-one interactions that are unsupervised heighten risk of abuse and false allegations as they provide a private space for employees to engage in boundary violations. For that reason, employees are prohibited from meeting with students one-on-one while at school unless one of the situations below applies. Rather, employees must ensure that the "Rule of Three" is adhered to in all interactions with students. This means that there are at least two students and one employee or two employees and one student involved in any interaction. Employees are prohibited from engaging with individual students behind a closed door or unsupervised space unless one of the exceptions below applies. Violations of this policy will result in discipline up to and including termination.

Employees who engage in before or after school tutoring of students, nurses, administrators, and counselors whose roles result in one-on-one interactions with students must observe the following guidelines:

Tutoring/Coaching

- Meet students in a public place where you are in full view of others. Consider tutoring in the library, cafeteria or other common space rather than your classroom. That said, coaches are prohibited from meeting students one-on-one in the weightroom or other athletic facility. Ensure multiple students have signed up to participate in the workout or facility use prior to engaging. One-on-one coaching at the batting cages, gym, or track that are observable and open to all may be appropriate if the other requirements of this section are met.
- Require students to sign up so you have a record of what students are engaging in tutoring/coaching and with what frequency.
- Avoid physically interacting with students during one-on-one interactions. Even acceptable physical interactions such as side hugs can be misconstrued when you are one-on-one with a student. Should a physical interaction occur, immediately share the nature and extent of it with your supervisor.
- Similarly, ensure all verbal interactions during the one-on-one meeting are pedagogically related and not familiar or personal. Like physical interactions, verbal interactions are more highly scrutinized during one-on-one interactions. Comments such as "you're my favorite" when said in a setting with other students is problematic, but seriously concerning when said in a one-on-one setting. On rare occasion, a student may disclose abuse or trauma during a one-on-one interaction. Should that occur listen, but do not physically comfort as that can be retraumatizing for the student. Immediately following their disclosure, notify your supervisor of the interaction and disclosure.

Counselors/Administrators/Nurses

- If meeting in a room or office, leave the door open or move to an area that can be easily observed by others passing by. To the extent possible, ensure one-on-one interactions that

occur behind closed doors are scheduled in advance, occur in a room with windows or glass in the door, and/or are communicated to a supervisor.

- Ensure one-one-one interactions are documented, especially if behind closed doors. Keep documentation of these meetings (such as in shared calendar, case notes, etc.) and share with your supervisor.
- Inform other employees that you will be alone with a student and encourage them to randomly drop in or pass by the interaction. Transparency keeps both you and the student safe in this interaction.
- Document and immediately report any unusual incidents, including physical interactions, disclosures of abuse or maltreatment, behavior problems and how they were handled, injuries, or any interactions that might be misinterpreted or that made you uncomfortable.

Outside Contact with Students

Standard 3.8. of the Educator's Code of Ethics states "[t]he educator shall maintain appropriate professional educator-student relationships and boundaries based on a reasonably prudent educator standard." Repeated contact with students outside of school amplifies the risk of abuse or false allegations as it provides opportunities for employees to engage with students in a more relaxed and informal manner than the school environment. It also blurs boundaries between students and employees. To ensure all employees in this District understand the expectations, the following guidance is provided. The District prohibits employees from engaging in outside contact with students with which they do not have a preexisting familial or social relationship (i.e., children are friends at school, families attend same religious institution, neighbors, family friends etc.). For those employees who do have a preexisting social or familial relationship, the provisions below apply. Provision of these guidelines does not mean that all employees are encouraged to engage in these interactions. To be explicitly clear, the District prohibits employees from doing so if there is not already a preexisting social or familial relationship. However, the District understands that some employees have preexisting familial or social relationships with students and parents and seeks to provide guidance for those employees.

Preexisting Social or Family Relations

Preexisting family or social relationships. An employee who has a preexisting family or social relationship with a student subject to this section. The employee must not text, message, or communicate through social media with the student. Communication about the outside contact goes through the student's parent or guardian. The employee shall document the relationship on the ***Preexisting Social or Family Relationship Form*** and submit it to their supervisor. The form can be found on the employee portal. Parent consent does not create an exception to this section.

Examples of common outside contact with students that employees with preexisting social and familial relationships may engage in:

- Babysitting

- Social interactions between employee's children and other students:
    - Playdates and birthday parties
    - Sleepovers
    - Overnight trips and vacations
    - Rides to/from school or extracurricular activities and events
- Attending public events in a shared community (like graduation, sports events, religious ceremonies)
- Continued contact with student after a student's participation in a program has ended.

If interactions with students outside of school are unavoidable due to the above factors (i.e., children are friends at school, families attend same religious institution, neighbors, family friends, etc.), the District offers the following guidelines:

- If there is a pre-existing social or familial relationship, ensure proper boundaries are drawn by the employee while at school.
    - For example, if a student calls an employee by their first name in social settings because the employee is friends with the student's parents, the employee must communicate that the student must refer to them as Mr./Ms. while at school. This helps reinforce the boundary and makes clear that the employee's role as an employee at school is different than their role as parents' friend and the relationship should reflect that.

- If an employee has children that are friends with other students, there may be times where the employee is asked to give students a ride. Employees may only engage in this interaction if their children are also in the car (think Rule of Three). Even in that interaction, it is critical to make sure the students are sitting in the back seat. The same rules apply for trips to McDonald's/the park/etc. that are occurring as part of the preexisting social relationship.

- To increase transparency, employees should consider texting or emailing an administrator when interactions like transportation and social outings occur. If employees are going to repeatedly engage in these interactions during the year, best practice is to complete a ***Preexisting Social or Family Relationship Form*** form and submit it to their supervisor so the District is aware of the nature and anticipated frequency of these interactions.

- If an employee's children ask to have a sleepover at the employee's house with other students, employees are advised to notify a supervisor prior to the gathering to increase transparency. Employees are also advised to consider keeping the number of students at the gathering small (1-3). Even in these interactions, employees are prohibited from engaging in one-on-one interactions. Further, employees must ensure that students are not going into their bedroom or employees are entering student's sleeping space. Allegations arising from outside contact can impact employment and that is especially so

in a more private environment like sleepovers.

- For employee's own protection and transparency, it is highly recommended to submit a ***Preexisting Social or Family Relationship Form*** to their supervisor at the beginning of the year if it is known or anticipated that there will be regular or repeated outside interactions between the employee, the employee's children, and other students. This helps ensure transparency and also protects the employee from rumors. It is much easier for the employee and District to respond to those concerns if they have been notified that interaction was going to take place. The "Preexisting Social or Family Relations Form is available on the staff portal.

Gifts to Students

Standard 3.8. of the Educator's Code of Ethics states "[t]he educator shall maintain appropriate professional educator-student relationships and boundaries based on a reasonably prudent educator standard." One such boundary that educators in this District must adhere to relates to gifts. In no uncertain terms, District employees are prohibited from giving individual students gifts. Such behavior can be construed as grooming and has no purpose at school. Specifically, employees are prohibited from gifting individual students food, toys, supplies, clothes, or cash. Employees are also prohibited from instructing students to keep gifts (or other interactions) secret. Significant discipline, up to and including, termination will result from an employee's engagement in this behavior.

Class Gifts

Employees may give their entire class or team a gift if the gift is authorized by a supervisor or designated administrator prior to dispersal and given to all students. Such gifts should be limited to celebration of special events/holidays or group recognition and should be minimal in cost. Such gifts should be the exception, not the norm.

Fulfilling Student Needs

There are times where it is evident that a student has a particular need of supplies, clothes, food, or other necessities. Such needs must be fulfilled by the campus or District, **not** individual employees. Regardless of how well meaning an employee may be, individually fulfilling that need violates this policy and will result in discipline. Rather, an employee who recognizes a student in need must contact the counselor or an administrator and inform them of the student's need. The counselor or administrator is then responsible for working with a district or campus team to fulfill those needs if the counselor or administrator determines the need is legitimate. When fulfilling the need, the student's parent/guardian must be notified about the student's need and plan to fulfill it. Counselor or administrators fulfilling these needs must communicate to parents/guardians/students that the gift is given on behalf of the District or campus and not the individual employee.

Discrimination, Harassment, and Retaliation

Policies DH, DIA

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action up to and including termination.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the superintendent may be made directly to the board.

Any district employee who believes that he or she has experienced prohibited conduct based on sex, including sexual harassment, or believes that another employee has experienced such prohibited conduct, should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor, the campus principal, the Title IX coordinator, or the superintendent. The district's Title IX coordinator's name and contact information is listed in the Equal Employment Opportunity section of this handbook.

The district's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation is reprinted below:

Harassment of Students

Policies DF, DH, DHB, FFG, FFH, FFI

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited.

Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. Any district employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct based on sex, including sexual harassment, of a student shall immediately notify the district's Title IX coordinator, the ADA/Section 504 coordinator, or superintendent and take any other steps required by district policy.

All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or has

reasonable cause to believe that child abuse or neglect occurred child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse*, and *Bullying,* page for additional information.

Procedures for reporting and investigating harassment of students are listed below:

- Immediately notify your supervisor. If there is any suspicion of child abuse as described below, promptly report the concern to Child Protective Services (CPS) and the appropriate local law enforcement agency.

Reporting Suspected Child Abuse

Policies DG, FFG, GRA

All employees with reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect, as defined by Texas Family Code §261.001, are required by state law to make a report to a law enforcement agency, the Department of Family and Protective Services (DFPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering the facility) within **24 hours** after the employee has reasonable cause to believe that the child has been abused or neglected. Law enforcement agency includes the Texas Department of Public Safety (DPS), a municipal police department, a county sheriff's office, or a county constable's office and does not include the district police.

If the alleged or suspected abuse or neglect involves a person responsible for the care, custody, or welfare of a child (including a teacher), the report of alleged abuse or neglect must be made to DFPS even if a report is made to law enforcement.

Employees are also required to make a report if they have reasonable cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to DFPS can be made using the Texas Abuse Hotline (https://www.txabusehotline.org/Login/Default.aspx or 800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, a person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from taking an adverse employment action against a certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to make the required report may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee's failure to report may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

Sexual Abuse and Maltreatment of Children

Policy FFG

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed at https://www.cfbisd.edu/departments/counseling/resources-for-parents/child-sexual-abuse. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Abuse in the Texas Family Code is defined to include any sexual conduct harmful to a child's mental, emotional, or physical welfare, including conduct that constitutes the offense of continuous sexual abuse of a young child or disabled individual, indecency with a child, improper relationship between an educator and a student, sexual assault, or encouraging a child to engage in sexual conduct, as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who has reasonable cause to believe that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in *Reporting Suspected Child Abuse*.

Reports to Texas Education Agency

Policies DF, DHB, DHC

The conduct of an employee must be reported to TEA **within 48 hours** if there is evidence that the employee was involved in any of the following:

- Any form of sexual or physical abuse of a minor, or any other unlawful conduct with a student or a minor
- Soliciting or engaging in sexual contact or a romantic relationship with a student or minor
- Engaged in inappropriate communication with a student or minor
- Failed to maintain appropriate boundaries with a student or minor

For a certified employee, the conduct below must also be reported not later than the seventh business day after termination or resignation or notice from the principal:

- The possession, transfer, sale, or distribution of a controlled substance

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

Employees shall not provide students with their personal phone number or email address and shall not request such information from students

An employee is not subject to the provisions regarding electronic communications with a student to the extent the employee has a social or family relationship with a student, though communications that occur under this provision may still result in a misconduct report based on the nature, timing, and content of the messages. Employees who have a preexisting family or social relationship with a student are strongly advised to refrain from communicating electronically with any student, as doing so creates increased risk of an allegation for the employee. An employee who claims an exception based on a preexisting family or social

See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.
- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, school psychologists, and athletic trainers.
