Phase 4 of 4 - FF&E, Technology, and Play Equipment

Addendum Issue Date: Thursday, November 12, 2026
Bids Due: Thursday, December 3, 2026, by 11 a.m.

Addendum #2

Question #1: *In reviewing the bid documents for the LEARN Early Childhood FF&E section I noticed you have vendors and contracts applied to a majority of the line items. Are we providing a bid price for each of the line items or are we only providing pricing on the items where the vendor is listed as TBD?*

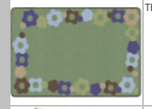

Answer: FF&E items where the vendor is indicated as 'TBD' shall be competitively bid. The remainder of the items which indicate a vendor are being purchased off state contracts. An updated 'FF&E Open Items Bid Form' dated 11/12/2026 for the competitively bid FF&E items is included in this addendum. An Excel file is included for ease of completion. Bidders are responsible for verifying formulas. In the event of a discrepancy the unit prices shall prevail when determining prices.
