Krum ISD Elementary School/Home Compact

As a school family, we each have a responsibility to stay informed by attending meetings and activities at our school and keeping up with parents/teacher communication. Sometimes we need to ask questions, list, make sacrifices, but our children are worth it.

School:

1. We will encourage communication through meetings, conferences, phone calls, notes, e-mails and web publications.
2. We will teach children how to apply strategies for success.
3. We will maintain a high quality learning environment that meets state standards.
4. We will establish proper apport and effective, respectful working relationships with parents, students and other staff members.
5. We will provide opportunities for parent participation through special activities and classroom volunteering.
6. We will give specific information on how to help children at home to build academic success.
7. We will be clear about our classroom expectations with students and parents.
8. We will inform parents of academic and behavioral improvements and needs.
