"Thank you, oh, thank you, men and women brave and strong".....

This past Wednesday, the Scott School Community came together and extended our heartfelt gratitude to all the veterans who have served and sacrificed for our country. Thank you to the veterans who attended our assembly for your courage, dedication, and commitment to protecting the freedoms we are fortunate to enjoy.

Thank you to our Home & School committee for all of their hard work putting the day together and volunteers. We appreciate your planning to make assemblies like this unique and special for Scott School.

A special thank-you to our Miss. Tarson and our students for their thoughtful and meaningful performance in honoring these heroes. It was truly a special and unique experience for our entire school community, giving us the opportunity to come together, show our appreciation, and help our children understand the importance of honoring those who have served. We are so grateful to everyone who made this day so memorable!

Donate Toys to Giftmart

Join us in collecting new toys to support District 203 families facing economic hardship this winter season. Giftmart is a local event that supports 400+ kids in our district. Elementary school families attend a one day event where they shop for new donated toys for their kids. We will be collecting toys at Scott School. There are boxes in the lobby. Toys can also be mailed directly to the event location through the wish lists below.

Help Us Bring Joy to Local Families in Need

The Jungles Group is proud to partner with the Naperville American Legion Post 43 for this year's "Holiday Blessings" initiative (formerly Blessing Baskets).

Naperville School District 203 has identified over 400 local families in need, and our goal is to provide over 400 $75 grocery store gift cards to help them put food on their tables.

Find out how you can help support HERE

Let's come together as a community to make sure every family feels supported this holiday season. Every contribution makes a true difference!
