Smile Programs...the mobile dentists

Important Health Information

Dear parent or guardian,

Great news! Our school has partnered with Smile Programs ... the mobile dentists to offer dental care at school. The dentists will be in our district **January 19-20, 2027.**
Best of all, in most cases there is **no cost to you** if your child is insured with Medicaid/CHIP!
Private insurance and affordable self-pay options are also available.

Easy & Convenient

Having your child seen by the dentist at school saves you valuable time. Top quality care is provided by local, licensed dentists in the familiar surroundings of your child's school. Dental care includes a complete exam, x-rays, cleaning, fluoride, and sealants when necessary, and in some cases, restorative care such as fillings.

Keep Your Child Healthy

Children who see a dentist regularly may have fewer health issues like:

- Early tooth loss due to dental decay
- Gum disease
- Heart disease
- Impaired speech development

Sign up today!

Look for a permission form from school, or **sign up online now at www.MySchoolDentist.com**

Sign Up

Don't wait. Be sure your child is signed up and ready to see the dentist at no cost to you (for children with Medicaid/CHIP). **Paper forms must be returned no later than Tuesday, November 24.** If you have any questions, please contact Alexandra Zenk, District Social Worker at 440-766-0780 or at alexandra.zenk@keystoneschools.org.
