COMMUNITY BULLETIN BOARD

Conestoga Valley's online bulletin board is designed to assist community nonprofit groups in the CV area to communicate important information in an environmentally-friendly and cost-effective way. Throughout the school year, we'll highlight new announcements, registration information, and more in this area of the newsletter.

Information was posted about 2027 CV Youth Softball registration.

Editor's Note: *your editor was out of the office this week, thus the reason for the relatively brief newsletter, and apologies if any news/events did not make it into this week's newsletter!*

CV Cares

CV Cares is a decades-old program designed to recognize CV employees who have gone above and beyond to make our students, parents and guardians, and community members feel welcome and supported. The recognition could be for a single extraordinary event or an ongoing pattern of positive interaction and support.

If you have had the opportunity to be on the receiving end of this type of engagement, take a moment to fill out the online form to recognize that special educator. Remember, an educator is anyone who has the opportunity to positively impact the life of a child. As such, an educator can be a bus driver, secretary, custodian, teacher, cafeteria worker, school counselor, administrator, or any other support or professional staff associated with CV.
