Nov 13, 2026

Hello Foxview families,

First and foremost, thank you for your efforts in making Foxview Intermediate School a safe environment for our students, staff, and visitors. The time has come for the weather to turn colder, so I just wanted to remind everyone of some of the traffic concerns we start to see when this happens.

Parking lot pick-up lane:

With the cold weather, we see an increase in the amount of traffic utilizing the pick-up lane adjacent to the bus lane in our parking lot. If using this lane, please remember that once this lane is full, you must circle the block and wait for there to be room to enter the parking lot. Cars are not allowed to stop over the sidewalk or in the roadway when the parking lot lane is full. This is in violation of Wisconsin State Traffic law: 346.52(1). When cars stop over the sidewalk and on the road waiting to enter the parking lot, it also causes a backup at the intersection of Michigan and Merrill. Additionally, it prevents buses from being able to make the turn into the parking lot.

Options:

School is dismissed at 2:55 pm. The parking lot pick-up lane usually fills up by 2:50 pm. By 3:00 pm, there is often plenty of room to pull into the parking lot. Staff is outside with students until approximately 3:05 pm.

Parking is available on surrounding streets. Please pay attention to signage. Please discuss with your child where you plan to meet if you are not using the pickup lane or parking on S. Michigan St. Crossing guards are at both Merrill St. and Bolles St.

Thank you for doing your part to ensure our kids are able to get to and from school safely. Please feel free to reach out with any questions you may have.

Respectfully,

Ofc. Missy Vande Wettering
