November message: Gratitude and Family Support

Dear Post Falls Families,

Parent-teacher conferences are this week on Thursday night and Friday morning. This is a vital time to celebrate your child's progress, set goals, and team up to help them thrive.

November is National Gratitude Month, a time to pause, reflect, and recognize the strength, care, and resilience within our community. We are especially thankful to you for passing our recent levy, which keeps essential student programs running strong.

During this busy season, remember we also care about your well-being. If finding mental health care feels hard, our partner Care Solace offers free, private, 24/7 help to connect students, staff, and families with local providers who take your insurance (including Medicaid) or offer sliding-scale rates. (https://caresolace.com/site/pfsd)

Thank you for your continued support. Wishing your family a wonderful and Happy Thanksgiving!
Best,
Anna Wilson, Superintendent

Winter Weather Reminders

Bad winter weather may sometimes force us to close school or use a 2-hour late start. A late start gives crews extra time to clear roads, sidewalks, and parking lots so everyone can arrive safely. We will announce any closures or delays by 5:30 AM. Please visit our website for more details.

Check us out on social media Post Falls School District #273 or pfsd273!

Superintendent Search

The Board of Trustees has launched a comprehensive search for our next Superintendent.
Community input is vital to this process. Staff, parents, high school students, and community members are invited to share the key skills and qualifications they most value for this role. Your feedback will directly guide the Board's selection.

- **Take the Community Survey**: Open November 5 – November 22 (Use the QR code)
- **Follow the Search**: View the leadership transition timeline and ongoing candidate updates on the district website (www.pfsd.com).

For questions about the search process, please contact Clerk of the Board Kerri Zeller at kerri.zeller@sd273.com.

Honoring Our Heroes: Veterans Day in PFSD

Students across Post Falls School District came together on Veterans Day to honor the brave men and women who have served our country. Under Idaho law, schools dedicate time on Veterans Day to remember and thank American veterans. We are proud to have our students in class on this special day to learn about patriotism, sacrifice, and community service. Across our district, students learned through classroom lessons, sang patriotic songs, and hosted assemblies to thank local veterans and family members in person. Thank you to all of our veterans for your service!
