I. Resolution Urging Congress to Fulfill Its Promise to Fund 40 Percent of IDEA Costs

A Resolution of the Sweet Home Central School District School Board Urging the United States Congress to Fulfill its Longstanding Commitment to Fund 40 Percent of Special Education Costs Under the Individuals with Disabilities Education Act (IDEA)

WHEREAS, The Individuals with Disabilities Education Act (IDEA) was enacted in 1975 to ensure that students with disabilities receive a Free Appropriate Public Education (FAPE); and

WHEREAS, Congress made a clear commitment in IDEA to fund 40 percent of the cost to educate students to help cover the excess costs of providing special education services; and

WHEREAS, despite this longstanding promise, federal IDEA funding has consistently fallen far short in 2026 providing just 10 percent of the cost—leaving state, local school districts, and taxpayers to subsidize the federal government's unmet obligation; and

WHEREAS, students covered by IDEA have grown exponentially from 3.7 million in 1975 to 8.3 million students today; and

WHEREAS, New York State school districts collectively face a statewide special education shortfall of hundreds of millions annually, requiring local districts to redirect general education revenues to meet mandated special education needs; and

WHEREAS, the federal funding shortfall places significant and increasing pressure on local budgets, widens funding imbalances among school districts, undermines general education programs, and forces reductions in staffing, class size initiatives, mental health support, and their essential student services; and
WHEREAS, fulfilling the federal promise of 40 percent IDEA funding would provide substantial relief to New York State school districts, reduce reliance on local levies, stabilize district budgets, and strengthen educational outcomes for all students;

2. Support annual increases in IDEA appropriations that meaningfully reduce the federal funding shortfall;
3. Ensure IDEA funding remains stable and protected from across-the-board cuts.
4. Publicly reaffirm the federal government's responsibility to fully fund (40%) mandated special education services.
