Chromebook Fees and Guidelines

Chromebook Guidelines

Chromebook devices are loaned to students and remain the property of MLSD. Along with textbooks, team uniforms, and other school issued items, there is a responsibility to care for and return property in good condition.

Service

Unexpected problems do occur with the devices that are not the fault of the user. Students should report issues to the media center specialist who will submit work orders on the student's behalf. MLSD owned devices should not be taken to an outside computer service for repair.

Loaner Devices

Temporary replacements (loaners) are available at each school so that learning may continue during any repair process. All rules and regulations apply to the loaner devices.

Accidental damage vs. Negligence

Accidents do happen. However, there is a difference between an accident and negligence. If the device is deemed to be intentionally/willfully damaged, the student may be subject to disciplinary action and the cost of the repair/replacement.

Repair costs are for parts; no labor charges are assessed.

Damage(s) :	**Price:**
Screen	$30
Battery	$70
Power Charger	$20
Keyboard	$25
Touchpad	$20
Uppercase Assembly (includes bezel & top clam)	$50
Small parts (lcd cable, bottom cover, motherboard cables, etc.)	$10
Chromebook (intentional damage, water damage, neglect)	$300
Chromebook and case, including management license (in cases of total loss or theft)	$380
