SAUQUOIT VALLEY™
Central School District

SUPERINTENDENT'S MESSAGE

As we approach the end of the first quarter, we trust that our students have settled into their new routines and are rising to meet academic expectations. We encourage them to continue striving for excellence — building a strong foundation for lifelong learning — and to take part in extracurricular activities and athletics that enrich their school experience.

For parents, this is an ideal time to reflect on your child's progress and celebrate growth. Please do not hesitate to reach out to your child's school if additional support is needed; we are here to help every student succeed.

Looking ahead, the Parent Teacher Organization (PTO) will once again host the annual Fine Arts & Craft Show at the middle school on Nov. 21 and 22. This event is a cherished tradition and an important fundraiser for the PTO, which plays a vital role in supporting our students and schools. I encourage everyone to stop by, enjoy the creativity on display and show your support for our school community.

This fall, we were proud to offer a variety of sports, including boys and girls varsity cross country; girls modified (with New York Mills) and varsity field hockey; boys modified (8-person) and varsity football; boys modified and varsity soccer; girls modified, JV and varsity soccer and girls varsity tennis. Congratulations to our teams for their hard work this season, especially those who advanced to sectional play!

Our fall athletes wrapped up an exciting season filled with strong performances and teamwork across the board. The girls varsity tennis team captured both the 2026 Tri-Valley League (TVL) title and the 2026 Center State Conference (CSC) Division 1 championship title, marking an outstanding season of consistency and skill. The boys varsity soccer team battled their way into the first round of the 2026 Section III Class C Championships, where they ultimately fell to Thousand Islands in overtime after a competitive run. The girls varsity soccer team advanced to the 2026 Section III Class C quarterfinals before a hard-fought, double overtime loss to West Canada Valley. The boys varsity football team advanced to the 2026 Section III Class D semifinals, ending their season against Cato-Meridian after an impressive postseason push. The boys and girls varsity cross country teams both won 2026 CSC Division 2 Championship titles in late October, and competed in the 2026 Section III Class C Championships in early November, with individual runners posting impressive times.

Congratulations to all our fall student-athletes and coaches for representing Sauquoit Valley with determination and pride!

If you have been following our Board meetings, reading our social media posts or keeping up with previous editions of this newsletter, you may remember conversations about the District's finances and the need to look at how we are structured. With costs continuing to rise and funding not keeping pace, we believe it is important to take a proactive approach. Therefore, we are proposing a two building model for the 2027–2028 school year, with grades 5–6 moving to the elementary school and grades 7–8 moving to the high school.

Our goal is to put SVCSD in the strongest possible position for the future. By making better use of our buildings, staff and resources, we hope to protect student programs, retain our talented staff and preserve our independence as a District. We want to make thoughtful decisions now that will help us remain financially stable and maintain local control for years to come.

The Board of Education is scheduled to vote on this proposal at its Dec. 8 meeting. We know that changes like these raise questions, and we want to hear from our community as we work toward the best path forward for our students.

We are also exploring the possibility of leasing the middle school building. A decision of this size will require careful planning and community input. We encourage you to attend upcoming Board meetings to learn more about the options being considered and share your thoughts.

JUNETEENTH (OBSERVED)
June 18

Lastly, with winter fast approaching, please remember that any school closures, delays or cancellations of after-school activities will be communicated through ParentSquare and local media outlets. On especially cold mornings, we encourage students to stay inside and watch for the bus rather than waiting at the stop. Our drivers will be instructed to pause a bit longer during these frigid months to help ensure everyone's safety and comfort.

As always, we remain deeply grateful for the community's continued support of our District and your shared commitment to helping us prepare our students for bright and promising futures.

Sincerely,

David Stayton
SUPERINTENDENT

WITCH WAY IS THE 5K?

On Oct. 4, the Sauquoit Valley Foundation held its 12th annual "Witch Way is the 5K?" road race and kid's runs at the high school athletic complex and Town of Paris Park. The event offered a great morning for runners of all ages to connect and enjoy the community.

The 5K runners lined up very early for this year's new 8 a.m. start time. The kid's runs were packed with eager participants who raced around the track, cheered on by parents, grandparents, volunteers and a friendly witch. Each child received a finisher's medal to take home after completing their run. Complete 5K results are available at TNT Timing.

The foundation thanks its event sponsors: DECKED by Tailored, DG Market, Edwards Ambulance, Elite Physical Therapy, McRorie-Peo Insurance Agency, Sauquoit Valley PTO, the Willson Family, TNT Timing, Willowvale Diner and Windy Hill Orchards. It also extends its gratitude to the staff, students and community volunteers who helped organize the event. A special thank you to the following organizations for providing road safety during the run: Clayville Fire Department, Edward's Ambulance, New York State Police, Oneida County Sheriff's Office, Paris Hill Fire Department, Sauquoit Volunteer Fire Department, Town of Paris Highway Department and Willovale Fire Company.

Race photos are posted on the foundation's Facebook page. We look forward to seeing everyone again next year!

ENGRAVED BRICKS

The Sauquoit Valley Foundation continues to sell engraved bricks to pave the community walkway around the high school athletic complex. Local businesses, families and organizations can purchase a brick to show support, celebrate an achievement, recognize a school group or honor a loved one.

Each brick is customized with your chosen text and installed by the foundation. All proceeds remain local, supporting school and community initiatives.

Bricks are available in multiple sizes and can be ordered by mail. To place an order, visit the Sauquoit Valley Foundation page under the community section of the District website at SVCSD.org, click "Events and Fundraisers" and select "Community Brick Walkway" to print the order form. Mail the completed form along with payment to:

Sauquoit Valley Foundation
2601 Oneida St.
Sauquoit, NY 13456

22ND ANNUAL SV FOUNDATION GOLF TOURNAMENT

Mark your calendars! The Sauquoit Valley Foundation will hold its 22nd annual golf tournament at the Cedar Lake Club on July 19, 2027. Join us for a great day on the course!

MEETINGS AND EVENT UPDATES

The Sauquoit Valley Foundation continues to be an active group dedicated to the District and community. The foundation meets on the first Monday of each month at 7 p.m. in the high school boardroom. All are welcome!

For more information and event updates, visit the foundation's webpage or Facebook page.

GARDEN CLUB

Looking for a rewarding way to spend your time and nurture your love for gardening? Come join the Sauquoit Valley Garden Club!

We meet on the second Tuesday of each month at 1 p.m. at the Paris Town Hall. Our gatherings feature engaging speakers, fun community projects and exciting garden-related outings. Feel free to drop in anytime to see what we are all about — we would love to have you!

SPONSORING LOCAL YOUTH FOR 2027

This year, the club is proud to be sponsoring two students to attend D.E.C. Camp in the summer of 2027. Applicants must submit their applications by Dec. 1, 2026.

For more information about our meetings or the camp sponsorship, please contact Lucille Roser at 315.839.5358.

WEDNESDAYS
9 A.M. - 12 P.M.
AND 6 - 8 P.M.

Town of Paris Historical Society

PO Box 62, 2241 Oneida St., Clayville, NY 13322

Do you love history and want to make a difference in our community?
Join the Town of Paris Historical Society Volunteer Team!

What You'll Do
- File and organize archival materials.
- Perform light housekeeping (dust displays, tidy exhibit spaces).
- Brainstorm and share your improvement ideas for exhibits and programs.

Why Volunteer?
- Dive into local history and gain behind the scenes access.
- Build new skills in archiving, preservation and museum maintenance.
- Connect with fellow history lovers and make lasting friendships.
- Play a vital role in preserving the Town of Paris' heritage for generations to come.

No Experience? No Problem!
- We provide all the training and support your needs. Whether it's an hour a week, or a few hours or more a month. We are open on Thursdays from 1–5 p.m. and Saturdays by appointment.

Ready To Get Started?
- Drop us a line or stop by the museum (Marilyn Arndt, secretary, 315-737-8854, for Bonny Niles, president).
- Monthly meetings are held on the first Tuesday of each month from March-December at the museum at 6:30 p.m.

Thank you for helping us keep our history alive!

THANK YOU FROM ABIGAIL'S ATHLETES: EVERY MILE MATTERS CAMPAIGN

Students throughout the Sauquoit Valley Central School District logged about 26,800 miles to support the fight against childhood cancer during this September's Every Mile Matters campaign, organized by Abigail's Athletes, Inc.

Students walked, ran and biked to reach individual mileage goals, prompting local businesses to make sponsor donations to the cause. The elementary, middle and high schools competed to see which building could log the most miles. Congratulations to the middle school for winning the G.O.A.T. trophy with an impressive 18,237 miles!

In response to these community efforts, Abigail's Athletes has pledged funds toward childhood cancer research, will donate items to patients at Upstate Golisano Children's Hospital and will provide gift cards for living and travel expenses to families with children in treatment.

A special thank you to the District and its three building principals — Michael Flagg, Peter Madden and Mark Putnam — as well as the Racing Red Hawks running club, middle school teacher Jamie Leigh Accordino and elementary school teacher Laura Hoffman for partnering to make this event a success.

This campaign's success was also made possible by generous donations from our community partners: Caruso Orthodontics, Di Highway Sign & Structure Corp., Elite Physical Therapy, Enjem's Flooring America, Gigliotti's Driving School of Utica, Grande's Pizzeria, Indium Corp., Lincoln Davies Building Supply, Sauquoit Valley Friends & Neighbors, Sauquoit Valley Lions Club and Utica First Insurance.

Every mile mattered! Way to go, Red Hawks!

— Abigail's Athletes, Inc. & the Freitag Family

SAUQUOIT VALLEY EDUCATOR, COUNSELING DEPARTMENT HONORED BY THE GENESIS GROUP

The Sauquoit Valley Central School District is proud to announce that Saquoit Valley High School (SVHS) Resource Teacher Ms. Megan Kempney and the SVHS Counseling Department will be recognized at the 20th Annual Celebration of Education, hosted by The Genesis Group.

Ms. Kempney will receive the Outstanding Educator award in recognition of her exceptional contributions to regional education. Known for her calm, steady presence and professionalism, Ms. Kempney consistently goes above and beyond to support both students and colleagues. Her proactive leadership and dedication to stepping up wherever needed have made a lasting impact across the school community.

The SVHS Counseling Department — comprising school counselors Mrs. Laura Flagg and Mr. Peter Scialdone, alongside social worker Mrs. Victoria Miller — will be recognized as an Outstanding Program. The department was selected for its innovative and compassionate approach to supporting the whole student, notably through the creation of The Nest. This dedicated space provides comprehensive counseling support, a calming environment, food pantry and clothing closet.

Through their everyday leadership, relationship-building and service, Ms. Kempney, Mrs. Flagg, Mrs. Miller and Mr. Scialdone embody the District's mission to ensure every student feels supported, valued and connected.

ELEMENTARY COUNSELING

DEPARTMENT NEWS

Reclaiming Childhood: Insights from *The Anxious Generation*

The book *The Anxious Generation* by social psychologist Jonathan Haidt explores a striking paradox in modern parenting: we are overprotecting our children in the physical world, while under protecting them in the digital world. Over the last few decades, childhood has fundamentally shifted from a play-based childhood (focused on real-world exploration, face-to-face social skills and resilience) to a phone-based childhood.

Even in elementary school, this "great rewiring" affects how children develop. When young children spend hours behind screens, they miss out on critical real-world experiences that build their attention spans, emotional regulation and social confidence.

4 Actionable Tips for Elementary School Parents

To counteract these shifts, the book advocates for four foundational norms that families and communities can adopt together:

- **Delay Smartphones and Tablets:** Avoid giving children smartphones or internet-connected devices during the elementary years. If your child needs a way to communicate after school, choose a basic flip phone or a smart-watch with no internet browser or social media access.
- **Keep Social Media Out of Childhood:** Keep children off of social media platforms entirely. The book strongly recommends waiting until at least age 16 to allow their brains to complete critical developmental milestones free from the pressures of digital comparison.
- **Protect the School Day:** Support a phone-free environment at school. Ensure personal electronic devices and smartwatches are stored away in backpacks or lockers during the day so children can focus completely on learning and playing with their peers.
- **Bring Back Unstructured Free Play:** Actively foster unsupervised real-world independence. Encourage children to play outside, explore the neighborhood and solve their own minor conflicts without adult intervention. This builds the "antifragility" and confidence they need to grow into thriving adults.

Small Steps You Can Take This Week

1. **Designate Screen-Free Zones:** Keep devices completely out of bedrooms overnight to protect your child's sleep quality.
2. **The "Garlic Run" Challenge:** Practice letting your kids out of your sight for brief, safe intervals. Send them to a neighbor's house or a nearby storefront to grab a quick item without a digital tracker or phone.
3. **Band Together:** Talk to other parents in your child's grade. It is much easier to delay screens when families agree to establish these boundaries collectively.

RACING RED HAWKS WRAP UP A FANTASTIC FALL SEASON

The Racing Red Hawks after-school running club concluded a highly successful fall session! Bringing together 60 energetic students in grades three through six, the club met weekly for running and wellness-related events.

Throughout the season, young runners cheered each other on during bi-weekly mile-long races on campus. A major highlight was the team's participation in the Every Mile Matters campaign, organized by Abigail's Athletes, Inc., which connected students' personal athletic growth to a broader, meaningful community initiative.

Through every workout, participants experienced the joy of running in a positive, encouraging environment that championed effort over placement. Students successfully built endurance, learned the value of setting goals and experienced the joy of running in a positive and supportive environment, supporting the club's mission.

We are so proud of all our Racing Red Hawks and look forward to seeing these young runners again in the spring! A special thank you to our volunteer staff and parents for their the incredible support, and to Strategic Financial Services for providing nutritious post-run snacks and refreshments that helped fuel our runners throughout the season.

ELEMENTARY PE CLASSES TO LAUNCH GOLF UNIT

This winter, students at Sauquoit Valley Elementary School (SVES) will enjoy a new golf unit during their physical education classes. The school recently purchased SNAG (Starting New at Golf) equipment, a beginner-friendly system that simplifies the game using oversized plastic and fiberglass clubs and tennis-like balls that stick to special targets.

This opportunity was made possible thanks to funding from the New York State Association for Health, Physical Education, Recreation and Dance (NYS AHPERD) and the Sauquoit Valley Foundation. SVES Physical Education Teachers Mrs. Lindsay Kidder and Mr. Nate DePerno were awarded a NYS AHPERD Foundation Grant of up to $1,000 — one of only 10 grants awarded statewide each year. They will be recognized for this achievement during the annual NYS AHPERD Conference on Nov. 18–21.

Mrs. Kidder and Mr. DePerno are excited to introduce this new unit to students and watch them develop skills, build confidence and discover an appreciation for the game.

We extend a sincere thank you to both the NYS AHPERD for awarding the grant, and the Sauquoit Valley Foundation for generously contributing the additional funding needed to make this purchase possible.

Stay tuned for pictures as we tee off with SNAG this winter!

SECOND GRADE NEWS: FIRE PREVENTION DAY

This October, second grade students at Sauquoit Valley Elementary School enjoyed a special visit from members of the Utica Fire Department in recognition of Fire Prevention Month. Deputy Chief Scherer, Lieutenant Goodenough and Firefighter Durse stopped by the school to share important lessons on fire safety and emergency preparedness.

The firefighters led developmentally appropriate discussions designed to build practical skills and confidence in emergencies. Students learned how to respond to a smoke detector going off, evacuate safely and call for help. In addition, they learned about the importance of designating a family meeting place outside and memorizing their home address.

Students also explored the personal protective equipment (PPE) firefighters wear during calls. Seeing the specialized gear up close helped students understand how it shields firefighters from heat and smoke, making the equipment familiar rather than frightening.

The visit wrapped up with an interactive Q&A session where students chose a firefighter to speak with, and asked them questions about life in the fire service. Their curiosity and enthusiasm made the event both educational and memorable.

This experience empowered our students with lifelong safety habits they can share at home with their families. A special thank you to Deputy Chief Scherer, Lieutenant Goodenough, Firefighter Durse and the entire Utica Fire Department for taking the time to provide our students with these valuable lessons!

SERVICE IN ACTION:
NJHS MEMBERS SUPPORT BACK-TO-SCHOOL BINGO

This fall, student leaders from the Sauquoit Valley Middle School chapter of the National Junior Honor Society (NJHS) stepped up to serve their school community during the annual Back-to-School Bingo event.

Upholding the core NJHS pillar of service, these middle schoolers took on key event responsibilities to ensure the evening was a fun and seamless experience for families. Members assisted with setup by greeting attendees, distributing game materials, calling numbers, verifying winning cards and managing prize tables.

Their reliability, leadership and enthusiastic teamwork made the night a huge success. Thank you to our dedicated NJHS members for modeling excellence and giving back to the Sauquoit Valley community!

MIDDLE SCHOOL ELECTS
NEW STUDENT COUNCIL OFFICERS

Civic engagement was in full swing at Sauquoit Valley Middle School as students recently cast their ballots in this year's Student Council Class Officer Elections.

Demonstrating strong community involvement and democratic spirit, 154 middle school students participated in the voting process. The election provided students with valuable, firsthand experience in leadership selection, voting responsibility and civic participation.

A sincere thank-you goes out to all the students who took part in the election, whether by casting a ballot or throwing their hat in the ring. Most of all, congratulations to our newly elected class officers! We look forward to seeing your leadership, ideas and school-spirit initiatives take shape throughout the school year.

SVHS PARTNERS WITH
CHOBANI FOR 'LET'S EAT WEEK'

On Oct. 12-16, students at Sauquoit Valley High School (SVHS) practiced student leadership and making a positive impact on their community as part of Chobani's "Let's Eat Week" initiative to fight food insecurity and celebrate World Food Day.

Over two days, approximately 20 students visited the company's plant in New Berlin to pack and load food boxes for families across the region. Working alongside Chobani team members — including international representatives who traveled from as far away as Australia — students also engaged in discussions with company leaders about civic responsibility, service and leadership.

The trip is part of an ongoing partnership between the District and Chobani, which includes monthly meal distributions for local families. As a result, more than $168,000 worth of food has been deliverd to the community to date.

Seeing students connect their efforts to the well-being of their neighbors reflects the character and leadership standards cultivated at SVHS. Thank you to Chobani for its continued partnership, and to our students for serving as exemplary ambassadors for our school community!

ROTARY CLUB SEEKING HOST FAMILIES FOR
SVHS EXCHANGE STUDENT

The Rotary Club of Sauquoit is seeking two local host families to open their hearts and homes to an international exchange student from the Czech Republic who is attending Sauquoit Valley High School through CNY Rotary Youth Exchange.

The CNY Rotary Youth Exchange gives high school students the opportunity to spend an academic year abroad, attending school and experiencing American culture. To allow students to experience different household traditions — and to reduce the time commitment for individual families — exchange students typically live with three different host families during their 10-month stay.

The student has been living with a host family throughout the fall. The club is recruiting a second host family from early December through mid-March, and a third host family from mid-March through June. Please consider opening your home to give this international student a welcoming place to call home during their time in Sauquoit Valley.

Host families do not need to be Rotary members. Applicants must reside within the Sauquoit Valley Central School District, have a spare bed and be willing to welcome a student into their daily routine. Hosting is open to all household types, including families with children, empty nesters, single adults and retirees.

For more information or to apply, contact the Rotary Club at rotaryclubofsauquoit@gmail.com, Youth Exchange Officer Vanessa Griffiths at divamissv@gmail.com or Rotary Club President Connie Stayton at cgstayton@yahoo.com.

JOSEPHINE POLISH WINS
SVHS POSITIVITY AWARD FOR SEPTEMBER

We are delighted to announce that Josephine Polish is the September winner of the Sauquoit Valley High School Positivity Award!

Nominated by multiple staff members and recognized by her peers as a kind and helpful presence, Josephine has made a point to welcome and support new students in the building. She works diligently in her classes and serves as a positive influence on those around her.

The Sauquoit Valley High School Positivity Award is presented monthly to students who consistently demonstrate positive behaviors and attitudes. Created to encourage a positive mindset throughout the school, the award celebrates students who set a strong example for their peers.

Josephine will receive a certificate and a $20 gift card to Grande's Pizzeria, courtesy of the Sauquoit Valley Foundation.

Congratulations, Josephine, on this well-deserved recognition!

PORTRAIT OF A GRADUATE

The New York State Board of Regents has formally adopted new graduation measures, known as the Portrait of a Graduate. The new measures are aimed at better preparing students with skills needed beyond high school. This includes more practical, hands on learning opportunities, less of an emphasis on test scores and more emphasis on real-world problem solving, financial literacy, and career readiness. Starting with the class of 2028, we will begin guiding students through the framework's six core tenets (competencies) in preparation for graduation.

Regents exams will still be administered, but will no longer be required for graduation. Exams will be used to serve "a more targeted purpose for measuring state standards." New York State will also be pivoting to a single diploma type, and will begin providing opportunities for students to earn state and locally developed seals and endorsements to customize their learning experience based on interests and goals. Students will be rated based on multiple measures of proficiency, including standalone assessments, capstone projects, portfolios, internships, class assignments, teacher observations and other demonstrations of student proficiency to be determined. We will be providing you with updated information once new regulations and amendments are delivered to the Board of Regents in February of 2027.

CLUBS & PROGRAMS

- **Book Club:** Meetings take place on the **last Tuesday of every month at 6 p.m.** New members are always welcome! Please call ahead to ensure enough copies of the next reading selection are available.

- **1,000 Books Before Kindergarten:** This FREE program encourages parents and guardians to read 1,000 books with their child before they enter kindergarten - a milestone experts say helps children learn to read independently. Open to all families with children from birth to age five.

- **Tutoring Program:** Offered in conjunction with Sauquoit Valley Friends & Neighbors, this program provides math and reading support from certified teachers for students in grades 2–8. Students are assessed and matched with educators based on learning style. Applicants must reside within the Sauquoit Valley Central School District and demonstrate financial need for private tutoring. Contact the library for details.

YOUTH & FAMILY FUN

- **Visit From Mr. & Mrs. Claus:** Join us on **Tuesday, Dec. 1** at **6 p.m.** for a special visit from Mr. and Mrs. Claus.

- **Legos in the Library:** Drop in every **Saturday from 12-2 p.m.** to build and create. Bring a friend and let your imagination run wild!
- **Take & Make Craft Kits:** New creative craft kits are available for children to pick up each month.

COMMUNITY

- **Ludlow Community Room:** Need a space for a meeting, party or event? The Ludlow Community Room is available at no cost to Town of Paris residents. Call the library to check availability and reserve a date.
- **Stained-Glass Window Restoration Fund:** The Clayville Library is raising funds to restore its stained-glass windows. To make a donation, please call or stop by the library.
