Weekly 7th Grade Newsletter

Morningside Middle | October 22 | Issue #09

This Week in our Classrooms

ELA

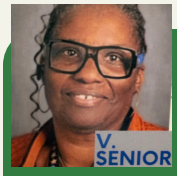

domonique_finey@charlestoncountyschools.gov

This week, students participated in a wonderful research lesson led by our school librarian, where they strengthened their research skills and learned strategies for locating and using reliable information. This week we begin StudySync Unit 2, which focuses on exploring new ideas, analyzing literature and informational texts, and strengthening reading comprehension, vocabulary, and writing skills. Students will continue to practice using textual evidence to support their thinking and responses.

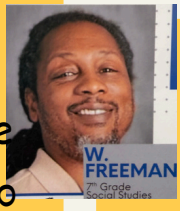

Mathematics

vanessa_senior@charlestoncountyschools.gov

This week we will complete Unit 3 Proportional Relationships and take the District Benchmark.

In, Honors we will begin Unit 4: Sample and Statistics. They will begin with Mean and Mean Absolute Deviation (MAD)

Social Studies

William_freeman@charlestoncountyschools.gov

This week in 7th Grade World Geography, students will be exploring world regions and the Five Themes of Geography. Our goal is to help students better understand how places around the world are connected and how geographers study the people, places, and environments that make up our world.

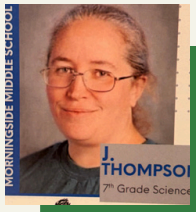

UPCOMING TRIPS

-Top Golf - Nov 20

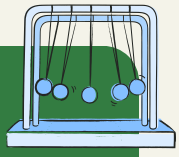

(Attendance 80%, no referrals, currently passing)

-Mega Recess - Dec 17

(30 ELA & 30 MATH IREADY COMPLETED BY DEC 10!)

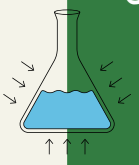

Science

jennifer_thompson@charlestoncountyschools.gov

This week in science we are exploring energy in motion by testing thermal energy flow in exothermic and endothermic reactions as well as energy transfers and transformations. We will also be differentiating between potential energy and kinetic energy through inquiry and investigation.

As always, please make sure to complete your weekly homework: Graph of the Week (GOW) in Formative and Science IXL. See ClassDojo every Sunday for the code.

If you're absent, always check ClassDojo and PowerSchool to see what you missed!

IMPORTANT

Parents of Scholars with Individualized Education Plans (IEPs): Please take a few minutes to review your scholar's accommodations and goals with them. This will help your scholar understand the support available to them, recognize their learning goals, and take an active role in their academic growth and success. Working together helps ensure that scholars feel confident, prepared, and empowered to make progress toward their goals.

Aidan Diaz Garcia

This week, we are proud to recognize a student who consistently demonstrates a positive attitude and a willingness to learn. He is quiet, meek, and respectful, always approaching his 7th-grade work with patience and determination. He takes his studies seriously and strives to understand new concepts rather than simply complete assignments. His calm demeanor, respectful attitude, and eagerness to learn make him a wonderful example of a dedicated student. Keep up the great work!
