BLIND BROOK ATHLETICS

Weekly Community Update | November 16–21, 2026

Dear Blind Brook Community,

What a memorable fall season for Blind Brook Athletics! As we celebrate the achievements of our student-athletes and coaches, we also look forward to the start of winter sports this week.

Girls Varsity Volleyball — A Championship Season

Congratulations to our Girls Varsity Volleyball team on a tremendous season! The Trojans captured both league and Section 1 championships, giving our school community so much to celebrate. Although their postseason run concluded in the State Regionals, their success extended far beyond the court. Students, families, staff, and community members came together to cheer on the team and share in an unforgettable season. Congratulations to our players and coaches on an outstanding job!

Wally Pohlman Shines at the NYSPHSAA State Championships

Congratulations to sophomore cross-country standout Wally Pohlman, who competed at the NYSPHSAA State Championships in Queensbury on Saturday, November 14. Wally crossed the finish line in an impressive 16:48.8, placing 31st among 132 runners — a top-35 finish at the state level! We are proud of Wally's achievement and look forward to seeing what he accomplishes in the seasons ahead. Great job, Wally!

Kalani Lee Represents Blind Brook at Swimming Sectionals

Congratulations to freshman swimmer Kalani Lee on her contributions at the Section 1 Swimming Championships! Kalani was part of the 200-yard medley relay team that advanced to the second day of competition, recorded a season-best time, and finished 11th. Kalani also competed in the 100-yard butterfly and 100-yard breaststroke. We congratulate Kalani on a successful championship meet and look forward to her future accomplishments!

Winter Athletics Begin This Week

Winter Freshman, Junior Varsity, and Varsity tryouts and practices begin this week. Modified winter practices begin on November 30. All student-athletes must complete registration and receive clearance before participating. Families of Modified athletes should register now rather than waiting until the start date.

Winter Sports Registration — Synergy ParentVUE

To register, log in to your Synergy ParentVUE account and select Online Registration → Athletics Registration. Complete all required forms and submit any necessary medical documentation. If you have trouble accessing your account, contact cvonhollen@blindbrook.org. Incomplete registration can delay eligibility for initial tryouts or practices.

Athletic Schedules

Follow the Game Schedule for contests and the Practice Schedule under Athletic Resources on the Blind Brook Athletics website. Please check regularly for schedule changes.

Looking Ahead to Winter

Our fall student-athletes gave us so much to be proud of, with outstanding performances, championship moments, and memories that will last well beyond the season. As we transition to winter athletics, I look forward to seeing our Trojans compete and our fans continue to fill the stands with enthusiasm and Trojan Pride.
