School Parent and Family Engagement Policy
School Year 2026-2027

To support every student's academic growth, ***James F Rhodes High School)*** receives Title I, Part A funding. As part of this program, we work together with families to create a **Parent and Family Engagement Policy with** a shared commitment to student achievement.
This policy outlines how we'll collaborate with parents and caregivers to meet the goals of Every **Student Succeeds Act (ESSA), Section 1116**. It will be:

- **Developed and agreed upon together** with families of participating students
- **Shared in clear, easy-to-understand language**—and translated when possible
- **Available to the community** on our website and updated regularly to reflect your needs

The policy sets expectations for how we'll engage families and describe specific activities that support meaningful involvement in your child's education.
We believe that **strong partnerships between schools and families lead to student success**. Stay connected, get involved, and help shape the future of our school community!
