KAISER PERMANENTE®

KP LAUNCH

2027 Summer High School & College Internship Programs

WHAT IS KP LAUNCH

KP LAUNCH is a paid internship program that empowers high school and college students to explore and pursue careers in health care. Through meaningful learning experiences and career development opportunities, the program helps Kaiser Permanente cultivate future health care professionals and leaders and strengthens the workforce needed to serve Northern California communities.

WHY JOIN KP LAUNCH

- Paid summer internships for high school and college students ages 16–24
- Gain full-time work experience working up to 40 hours per week, M-F
- Hands-on experience in different healthcare departments
- Take part in curated professional development days
- Meet healthcare professionals, explore healthcare careers, and build mentoring connections

2027 SUMMER INTERNSHIP DATES:

High School: June 14th - July 30th, 2027

- Seven-week summer internship

College: June 7th - July 30th, 2027

- Eight-week summer internship
