Summary of Benefits

January 1, 2027 – December 31, 2027

This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the *Evidence of Coverage*.

You have choices about how to get your Medicare benefits

One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.

Another choice is to get your Medicare benefits by joining a Medicare Cost plan (such as **Medica Group Prime Solution w/Rx (Cost)**). You may have other options. You may be able to join or leave a plan only at certain times. Please call your Group Administrator or Medica to discuss your options.

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **Medica Group Prime Solution w/Rx (Cost)** covers and what you pay. If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on Medicare.gov.

If you want to know more about the coverage and costs of Original Medicare, look in your current "**Medicare & You**" handbook. View it online at Medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Which doctors, hospitals, and pharmacies can I use?

Medica Group Prime Solution w/Rx (Cost) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers in our network, you may pay less for your covered services. But if you want to, you can also use providers that are not in our network.

Out-of-network/non-contracted providers are under no obligation to treat Medica members, except in emergency situations. Please call our customer service number or see your *Evidence of Coverage* for more information, including the cost sharing that applies to out-of-network services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You may search for network providers and pharmacies on our website at Medica.com/GetMyDocs. Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Our plan members get all of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, Medica.com/GetMyDocs. Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Deductible, Initial Coverage, and Catastrophic Coverage.

If you have any questions about this plan's benefits or costs, please contact your Group Administrator or Medica Insurance Company for details.
