New London Superintendent Search Committee invites you to participate in a Survey and Focus Groups

SEARCH consultants, working with the New London Superintendent Search Committee, will conduct an anonymous survey and focus groups during November. The purpose is to gauge the community's perspectives on the qualities, experiences, and characteristics desired in a new superintendent. We encourage students, teachers, administrators, staff, parents, town officials, community organization representatives, and community members to participate.

Anonymous Survey:

There are three ways to access the survey (deadline **November 20th**):

Feedback from the survey and focus group data will be incorporated into a leadership profile that will guide the New London Board of Education in identifying high-quality candidates who best fit the needs of the New London Public Schools. "We encourage the community to be a part of this important process and look forward to incorporating the results of their participation into the Board's work," said Elaine Maynard-Adams, Chair of the New London Board of Education.
