HELP US MAP THE FUTURE OF OUR SCHOOLS

Community Input Meetings

The future of Saratoga Union School District impacts everyone, from area residents to current students and their families, past and future families, and local businesses. SUSD invites you to share your voice at an upcoming community feedback meeting (offered in person and online).

Come review and rank proposed projects from our Facilities Master Plan across all four school sites and ensure your perspective shapes our facilities.

WHY NOW?

1997 | Last Major Bond Passed
Our school facilities haven't seen a major, comprehensive bond for nearly three decades.

Present | Proactive Investment
Silicon Valley moves fast, and our students deserve classrooms built for the future. Years of disciplined budgeting have stretched every taxpayer dollar however aging facilities coupled with major modernization and technology needs are outpacing District resources.

December | Community Feedback
Join our in-person or online sessions.

January 2027 | SUSD Board Workshop
Your voice matters! Your feedback will be thoroughly reviewed during a proposed SUSD Board Workshop in January 2027 to guide next steps.
