ONE91 EARLY CHILDHOOD PROGRAMS

At the heart of every thriving child is a strong family and a supportive community. We offer a continuum of high-quality early childhood education and family programs designed to nurture your child's growth and development from the very beginning. One91 Early Childhood is rooted in relationships, driven by excellence and focused on your child's future.

Kaitlin Cantolla
Supervisor of Early Learning

Winter is here, and we're excited to share new opportunities for your family to learn, play, and connect! Our Early Childhood winter catalog is filled with fun classes, meaningful experiences, and opportunities to make memories together. Whether you're looking for ways to support your child's learning, meet other families, or simply try something new this season, we hope you find something that feels just right for your family.

At One91 Early Childhood, we know that some of the most meaningful learning happens through everyday moments, play, and the connections we build with one another. We're happy to be part of your family's journey and look forward to welcoming you to our programs this winter.

Stay warm, explore something new, and let's make this winter a season of learning, connection, and fun!

Greetings Families!
Another Minnesota winter is here!

One91 Early Childhood is excited to offer some new experiences for families including a nature-based ECFE class, an ECFE class offered in partnership with MacPhail Center for Music, and an ECFE class in partnership with Early Childhood Special Education designed specifically for families with students experiencing developmental delays.

We look forward to building community with you and your family throughout the winter and spring months.

Thank you for choosing One91 for your family's educational journey!

ECFE Early Childhood Family Education

All classes are held at Diamondhead Education Center unless otherwise listed.

Our ECFE classes offer warm, welcoming environments where the entire family can learn, play, and connect. During activity time, parents and children explore engaging play-and-learn stations designed to spark curiosity, creativity, and discovery. Families enjoy quality time together while building relationships with new friends and reconnecting with familiar faces.

Parent discussion opportunities provide support, encouragement, and practical information relevant to raising children in today's world.

Two-hour classes include parent-child activity time followed by a parent discussion group led by a licensed Family Educator in a separate space.

Ninety-minute classes keep families together for the entire session, with parent discussion woven more informally into the class experience.

Tuition is based on a sliding fee scale which is determined by total family income. See page 13 for registration and tuition information.

Jumpstart's 21st Annual Read for the Record

Join families & communities around the world as we celebrate the power of early literacy!

During the October–February Jumpstart Kids Read for the Record celebration period, groups across five continents will come together to read the same story and inspire a love of books. This year's book:

Brave Like a Lion! How a Puppeteer Found Her Voice

Written by Emmy-winning Sesame Street puppeteer Megan Piphus, illustrated by Niña Mata. Drawn from Megan's own childhood — she's the first full-time Black woman puppeteer on Sesame Street — it's the story of a shy girl who finds her voice. A message about courage, confidence, and finding your voice that resonates far beyond the page.

Read for the Record Day is February 25!

Mixed Ages

Art Start

Birth to 5 years

Unwind and create together in this evening class designed for children and their caregivers. Art Start is all about playful, open-ended art experiences that encourage creativity, self-expression, and connection at the end of your busy day. Each week, families will explore new materials, enjoy music and movement, and engage in simple art projects that support development and imagination. Caregivers will have opportunities to connect with each other and participate in meaningful conversations around parenting, creativity, and child development.

Parent Support Visits

Free meeting with a licensed parent educator

ISD 191 offers free ECFE visits with a licensed parent educator for families with children from birth to eight years old. A visit involves meeting with a professional who is there to listen and support you on your parenting journey.

Here's what you can expect:

- **Location:** The visit can happen at your home, in the community, virtually or over the phone
- **Duration:** Each visit usually lasts about an hour and happens every couple of weeks.
- **Purpose:** The parent educator will offer guidance, answer your questions and connect you with community resources.
- **Focus:** The goal is to support your unique family values and needs during your child's early years.

Ready to Grow 6 weeks-31 months

Ready to Grow embraces the philosophy of primary caregiving that allows for nurturing and attachment to and from your child's primary caregiver.
The role of the primary caregiver is to provide the essential link of communication between you and the program, empower parents as the child's first and most important teacher and caregiver, provide positive learning experiences for the children in their care, nurture each individual child, and observe, monitor and evaluate to ensure each family's experience at Ready to Grow is a positive one.

Ready to Learn 31 months-5 years

Ready to Learn focuses on individualized care and small group activities for preschool-age children. Our comprehensive curriculum is designed to nurture the development of the child.
The curriculum focuses on school readiness in the areas of language and literacy, science and math, creative art and music, dramatic play and movement, and health and nutrition. We believe play is a central component to the curriculum. Early childhood research shows children learn best when engaged in hands-on learning experiences which occur during play. Your child will be valued, encouraged, held and treated with unconditional, positive regard.

Parent Aware

We've earned the highest rating...

4 Stars!

Ready to Grow/Ready to Learn is proud to have earned our Parent Aware Four-Star Rating!

This Parent Aware Rating means we're using school readiness best practices to make sure the kids we care for are prepared for kindergarten.

What is early childhood screening?

Screening is an early look at a child's development and begins as early as age three. This can give parents peace of mind that their child is developing normally, and if needed, allows health and developmental concerns to be addressed at least one to two years before a child enters kindergarten.

The state of Minnesota requires health and developmental screening for every child before they start kindergarten. Burnsville-Eagan-Savage District 191 offers this service at no cost.

Early childhood screening checks:

- Fine and gross motor skills
- Height and weight
- Vision and hearing
- Cognitive and social development
- Speech and language development

Ready! for Kindergarten

For Parents and Guardians of Children Birth to Pre-Kindergarten

The READY! for Kindergarten® School Readiness program empowers parents and caregivers to succeed in their role as children's first and most influential teachers. READY! provides tools and activities to optimize the natural curiosity of children and to nurture learning and development.

During a child's early years, parents and caregivers play a key role in shaping language, literacy, math, and social-emotional skills. Active engagement of families and caregivers is the most effective way to make those critical developmental years count.

READY! for Kindergarten consists of Age Level Targets©, Training and Tools to Play With a Purpose, making learning at home fun and effective.

Parents attend three 90-minute in-person or online workshops for each of the first five years of their child's life. School districts and organizations offer READY! to help close the achievement gap by partnering with parents so more children succeed in school and in life.

Targets

The READY! curriculum is based on 26 important child development and learning milestones. Each indicator, called a Target, is explored using playful activities appropriate to the age of the child. The Targets cover three domains: language and literacy, math and reasoning and social and emotional development.

Training

READY! gives parents and caregivers Training, information and activities to help their child develop skills known to be highly predictive of school success. READY! activities fit naturally into everyday settings and routines. READY! is a lifestyle: read with your child for 20 minutes and play with a purpose with a READY! activity for 10 minutes every day.

Tools

The Tools include books, toys, games, puzzles, music, and more. The Tools are kept by participants, giving families and caregivers the opportunity to reduce potential barriers for success. READY! also emphasizes how to Play With a Purpose using everyday items and activities for learning.

Classes and materials are split into 3 part classes - Fall, Winter and Spring.

Each session shares with families what you can do with your child to build upon their development in that age group. Age groups are split into 0-1, 1-2, 2-3, 3-4 and 4-5, and offered at each class in both virtual and in person.

At this time, class is designed to be just for parents. Infants are welcome to attend.

ONE91 Preschool Sparking the Love of Learning

In preschool, Pathways learning is designed to spark the love of learning.

Our students widen their worlds and build foundational skills to continue their learning journey.

Children learn and grow best through play experiences. We embed skill-building into play to promote healthy development of the whole child throughout the classroom. For example, math skills show up at the snack table, the block corner and more.

Flexible Programs for Every Family One91 Preschool provides flexible options for families based on schedule, location and cost. No matter which option, One91 Preschool is ready to spark curiosity, creativity, engagement, knowledge, and a love of learning in each child. Fees are based on income unless otherwise listed. Scholarships may be available for qualifying District 191 residents. **For more information contact preschool@isd191.org, or 952-707-4110.**

NEW KinderSpark Must be 5 years of age by Sept 1, 2026

KinderSpark is a new preschool program designed for young 5 year olds with targeted instructional support for students who are not yet ready for the demands of kindergarten. KinderSpark is grounded in developmentally appropriate practice and uses both the Early Childhood Indicators of Progress (ECIPs) and Kindergarten grade level guarantees to build a curriculum that will help your child develop the necessary skills for a successful kindergarten experience. KinderSpark is a 10-month, full-day (9 am-3:30 pm), fee-based program. There is a sliding fee scale based on family income and family size. Wraparound care, before and after school, is available for an additional fee.

Voluntary PreKindergarten Must be 4 years of age by Sept 1, 2026 and not yet kindergarten eligible

At District 191, our Voluntary PreKindergarten (VPK) program helps your child build a love for learning in a caring, inclusive environment. Designed for 4-year-olds, our VPK classrooms spark curiosity, promote early literacy, and support social-emotional growth – setting the foundation for a successful kindergarten experience. Morning and afternoon sessions available. Space is limited. Transportation and meal services are available at our neighboring schools. Diamondhead Education Center offers full day VPK from 9 am-3:30 pm with wrap around care options.

5 days per week, M-F. Independent toileting skills required (no pull ups). Fee based on eligibility and sliding fee scale (refer to application).

Preschool Must be 3 years of age by Sept 1, 2026

District 191 offers a nurturing, play-based preschool program designed to spark curiosity and build school readiness for children ages 3 to 5. With caring teachers, hands-on-learning, and a focus on social-emotional development, our preschool helps young learners thrive – academically, socially, and emotionally. Whether your child is just beginning their preschool journey or getting ready for kindergarten, District 191 is here to support every step. No transportation or meals provided. Independent toileting skills required (no pull ups). Fee based; scholarships available.

5 days per week, mornings or afternoons at Diamondhead Education Center

Preschool Plus Preschool Plus con un interprete de español

Photos in Classes

One91 Early Childhood Programs periodically take pictures of participants in our classes and during other sponsored activities. These photos may be used in community education and district publications or other promotional materials. By registering for a class with us, you are giving permission for use of your photos. If you do not wish to have your picture taken or published, you must provide us written notice in advance.

Email Notifications

Include your email address on your registration. We send a confirmation email and messages regarding changes to class via email. We will never give your information to any other agency it is strictly for use by District 191.

Weather Cancellations

Alerts will be posted on the District and Community Education websites. Information will be relayed through local television and radio stations along with Facebook and Instagram accounts.

Immunizations

Minnesota law requires children enrolled in early education programs to be immunized against certain diseases or file a legal medical or conscientious exemption. Immunizations must be on file PRIOR to the start date of class, current as appropriate to the child's age or in progress, in order to attend One91 Early Childhood Programs.

District 191 requires immunization records for Early Childhood Family Education (ECFE) classes that run six weeks or more, One91 Preschool, and Kindergarten classes. Submit a current copy of your child's immunization records to the District 191 Early Childhood Nurse, Fax to 952-707-4166 or complete the Early Childhood Immunization Form on our website and mail or drop off at the Community Education office at Diamondhead Education Center.

Class Cancellations

If Community Education cancels class due to low enrollment, you will receive a full refund. If you cancel out of a class more than 5 business days before the class start date, you will receive a refund less a $10 processing fee. If you cancel less than 5 business days before the start of a class or activity there will be no refund. You will not receive a refund for online classes once the meeting information has been sent.

If you find that a class in not the right fit for you or your child, contact us after the first week of class for assistance in finding a better fit. If a class is not available, you will receive a credit on your community education account for use on a future class.

EVERY CHILD COUNTS IN 191!

Each year, families enrolled in an early childhood program are asked to complete an Application for Educational Benefits. Submitting this form helps secure essential state and federal funding that directly supports programs and services for students and families in our district.

Applications are available online
isd191.org/enroll/application-for-educational-benefits
or ask your teacher for a paper copy.

Our experienced and caring teaching staff lead parents and children in engaging and stimulating activities that spark curiosity and exploration.
