I/we realize that this trip may also include assigned periods of free time. During such periods, we give permission for our son/daughter to participate in recreational activities which are not supervised by school officials or by the host family.

Re: Student Medication Procedure for Field Trips/Retreats

- **Students are not allowed to carry or store medicine of any kind while on daytime or overnight field trips/retreats.** All medication will be kept with field trip/retreat leader and administered by staff.

- **Parents should only send medication that is necessary for their students**. Field trip/retreat leaders are responsible for all medication administration, and this can become a very time-consuming task. Encourage parents to leave vitamins, supplements and "just in case" medications at home.

- **The Nurse's Office will provide retreat leaders with Advil, Tums**, **Tylenol, Midol, Claritin, and Sinus Decongestant for students**. Parental consent was provided for these medications when the student was registered for SMCHS. Depending on the retreat location, the retreat leader may offer authorization forms to administer *Dramamine* to prevent motion sickness. Notify the Nurse's office before the parent meeting, if you plan to do this.

- **Make sure the parents and students know that all medication is administered at mealtimes and bedtime and it is the student's responsibility to go to the retreat/trip leader for their medication.**

Does a parent need to submit a *Diocese Medication Administration Form?*

https://www.smhs.org/uploaded/Campus_Life/Photos/Diocese_Medication_Authorization.pdf

The form can also be found at: smhs.org - Parents - Nurses & Health Services - Resources & Forms

- A form is not required for students to take Advil, Tums, Tylenol, Midol, Claritin, and a Sinus Decongestant. Parental consent was provided for these medications when the student was registered for SMCHS.

- For all other **Over-the-counter medications,** the parent is required to complete and sign the form. A physician's signature is **not** needed.

- For **Prescription medications,** the parent and licensed authorized physician/dentist are required to complete and sign the form.

- If the student currently has a *Diocese Medication Administration Form* with medication stored in the SMCHS Nurse's Office, the parent must notify the Nurse's Office 24 hours prior to departure, and the form and medication will be sent on retreat.

Medication for Field Trips/Retreats

- Medication will only be accepted in the original, pharmacy-labeled container or a sealed over-the-counter container labeled with the student's name. Pill boxes with medication are not allowed. Parents should only send enough medication to get through the trip plus a little extra.

- Medication and signed forms must be delivered to the Nurse's Office at least 24 hours prior to departure.

Inhalers, Insulin & EpiPens

Students with **asthma or life-threatening allergies** may carry an inhaler or EpiPen. A *Diocese Medication Administration Form* should be filed in the Nurse's Office. Students with **diabetes** will have a copy of their ***Individual Diabetes Plan*** given to the leader. Parents should send enough diabetic supplies and snacks for the length of their student's stay.
