NAME/LOCATION CHANGE FORM

This form has been added to the telephone directory for you to send changes throughout the year. If you are making over 8 changes to an entire section, please send an email to the GAC general email at: 011GraphicArts@nv.ccsd.net and someone will send you a Word Document of that section, if you are unable to do it yourself. You may then submit the updated Word document back to the GAC general email so it can be re-flowed into the section.

The telephone directory updates are done twice a month, the 1st and the 15th or the closest work day to those dates. Changes must be submitted a week prior to those dates to be included in those updated dates. Changes received after that timeframe will be made on the next available date. To download the fillable form (shown below), you can go to graphics.ccsd.net, click on TEMPLATES & LOGOS, then under directories you will see the Directory Change Form.
