This work is advancing our goals

Strategic Plan Goals

✅ **Goal 3:** Future-ready Graduates

Board Goals

✅ **Goal 2:** Advance Student Achievement

✅ **Goal 3:** Support Continuous Improvement

✅ **Goal 4:** Accountability for Student Learning

AAP Goals

We are using Washington School Improvement Framework (WSIF) not just as a compliance measure, but as one lens for understanding school performance, student group outcomes, and where our improvement efforts need to be most focused.

Math

- **Earning Credit:** By the end of the 2026-2027 school year, Lincoln Hill High School will increase the percentage of all students passing their math class to 85%
- **Instructional Strategy:** Implement learning strategies, such as hands-on activities and structured classroom discussions, to promote student sense-making in connection to real world scenarios.

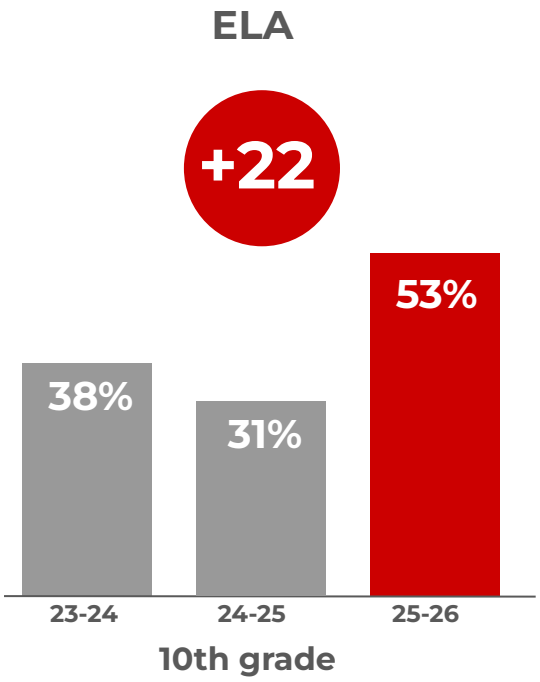

Literacy

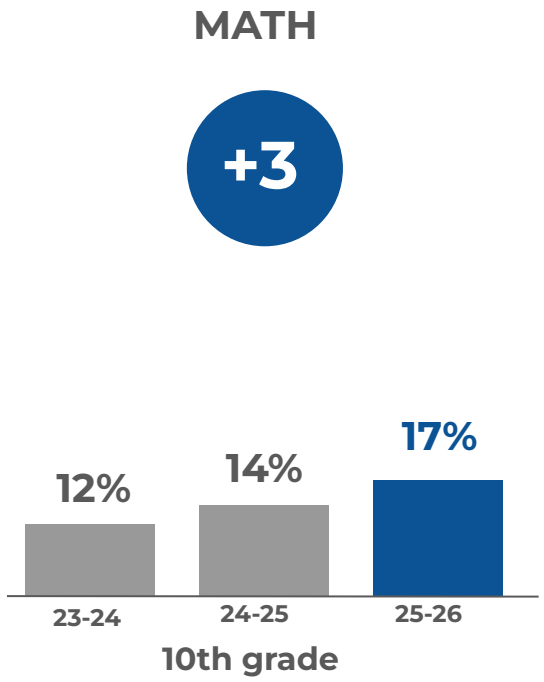

- **Earning Credit:** By the end of the 2026-20027 school year, Lincoln Hill High School will increase the percentage of all students passing their ELA class to 94%
- **Instructional Strategy:** Implement CER writing throughout content areas, think aloud and model how to break down text, incorporate real-world connections.

MTSS

- **Graduation Rates:** By the end of the 2026–2027 school year, increase graduation rate from 65% to 70% by implementing a Multi-Tiered System of Supports focused on early identification, targeted interventions, and continuous progress monitoring
- **Instructional Strategy:** Tracking student progress through Skyward and Lynx Learning and implementing credit retrieval opportunities and CTE classes

Empowering Student Voice and Ownership

- **Student Goal Setting and Reflection:** Students identify areas of focus and write their own goals which they will track and reflect on throughout the year
- **Reflective Student-Family Conferences:** Students will reflect on their goals, recognize progress and identify next steps as a shared conversation with their parents/teachers during conferences.
- **Academic Focus:** Using SBA data to embed targeted support strategies into weekly classroom instruction and guide parent communication.
- **Friday Choice Workshops:** Middle school students select their Friday classes they want to attend in a workshop model. Students also generated what choices to choose from.
