GOODYEAR STEM CAREER DAY!

Akron Public Schools

SATURDAY, JANUARY 23

REGISTER HERE

Please register with a parent or guardian by scanning the QR code.

SENIOR SCHOLARSHIP APPLICATION

Seniors who will be pursuing either a Bachelor or Associate degree in Engineering/STEM program should apply.

RUBE GOLDBERG CHALLENGE

Your goal is to create an unlikely and absurdly designed machine as a team that is intended to perform a simple function in the most complicated and indirect way.

What is Goodyear STEM Career Day?

During this event, Goodyear aims to inspire students to reach their full potential and prepare for careers in science, technology, engineering and mathematics.

Through interactive hands-on activities, engaging speaker sessions, speed mentoring and more, students interact with Goodyear associates and local STEM professionals to learn about opportunities in STEM. This year we will host middle school AND high school students at a combined event.

For more information, please talk to your science teacher or school counselor.
