Tuition Adjustment

Providence Christian School of Texas

The Tuition Adjustment application is made available to any family who has submitted a completed application to Providence. Shortly after the December 10 deadline, you will receive an email with a link to access the Tuition Adjustment application.

The application is due by January 9. A third-party service, Clarity, is used to analyze a family's financial profile and suggest the appropriate tuition amount a family should pay. Our Tuition Adjustment Committee will review the suggested amount, as well as other extenuating circumstances, and adjust each child's tuition accordingly, should the child be accepted to Providence.

To request a tuition adjustment application, please contact our Enrollment and Admission Manager at etalbot@pcstx.org.
